Office Note.

In returning herewith Endorsement No. 1454 dated 19th August 1892, on Public Current No. 2241, the Superintendent, Government Press, submits that there are 44 volunteers in the Govt. Press, of these 27 are on the permanent establishment, and 17 are piece-work compositors. It is the piece-work compositors only that lose pay when attending camps of exercise, &c. They also lose a few hours work on several days in the year when attending the butts.

2. In 1892 when the men have attended the camp of exercise, the Superintendent forwarded the average daily earnings of the compositors to the Officer Commanding, and the Regiment paid the men, so that none of the compositors suffered pecuniary loss on the last occasion.

3. If the press is to pay the average salary earnings of the compositors when away from work for several days, and for the hours lost daily when attending the butts, the amount can be shown under a separate —

leading and be added to the
other items which are proportionately
distributed against the total
output of pages during the year.
