Copy of Despatch from the Right Honourable Viscount
Cross, G.C.B., Her Majesty's Secretary of State for India,
to the Government of India, No. 46 (Public-Records), dated
India Office, London, the 14th May 1891.

I have received Your Excellency's letter, Revenue and
Agricultural Department (Archaeology), No. 27 of the 11th
March last, transmitting copies of the reports by Dr. For-
chhammer regarding the results of his exploration in ---
Pagan.

3. It is remarked in your letter under reply that the
Chief Commissioner of Burma has been asked to submit a
full programme of the Archaeological work which has yet
to be undertaken there, together with his opinion regard-
ing the desirability of starting a survey upon the -----
methods adopted in India Proper. I request, however, that
before any steps are taken towards the formation of an
Archaeological Survey Department for Burma, the Chief
Commissioner's proposals may be submitted for my consider-
ation. I shall also be glad to receive Your Excellency's
opinion as to the desirability of entrusting work of this
nature to the Asiatic Society of Bengal, assisted possibly
by a subvention from Government.

4. It appears to me to be not improbable that by this
means the scientific examination of Indian antiquarian
remains may be quite as efficiently performed as at ---

present

present, and at much less cost than under the system
of a separate Government Department.
