No 2437

The appointment of additional Medical Officer at the General Hospital was sanctioned on the condition "that one of the commissioned Medical Officers now employed as Civil Surgeons at the Stations entered in List II of medical Appointments in the Madras Presidency will be withdrawn, and that his place will be filled by the appointment of an uncommissioned officer", vide para 3 Government of India's despatch to the Secretary of State No 115 dated the 29th March 1893 communicated in Government of India Financial No ^{Ex} 2608 dated the 22nd June 1893. As this condition has not been fulfilled, it will be necessary for Government to obtain the sanction of the Secretary of State to consider Surgeon Captain J. L. Moore to have acted in the above appointment from 1st to 18th July 1893.

The difficulty involved in the present case may however be overcome if the Government decided to consider Surgeon Captain Moore to have been on special duty during the period in question under Article 98 (a) of the Civil Service Regulations.
