Govt. Lunatic Asylum.
Madras. 1st May 1893.

From,
Surgeon-Major W. G. King M.B. Ch. D.S.D.
Off. Supto Govt. Lunatic Asylum.
Madras.

To,
The Secretary & the Surgeon-General
with the Govt of Madras.

Sir,

With reference to para 102 of the Lunatic Asylum Code, I have the honour to request you will kindly inform me whether the prohibition is understood to exclude me from —

- (1) Prescribing and attending upon patients in my own house.
- (2) Attending consultations with legally qualified medical practitioners.
- (3) Examining for Assurance Societies (a) elsewhere than in my own house (b) at my own house.

2. I believe that the object of prohibition as to "General practice" would be fully met ~~under~~ under the first named condition, and that the second is met by the fact that Medical Officers such as the Surgeon-General, the Principal Medical Storekeeper, the Principal Medical College, Resident Medical Officer, Madras General Hospital and Medical Superintendents of jails are allowed consulting practice. As to the third instance, I trust that as the duty would not require my leaving the asylum building, and as exceptions have been already officially made to certain officers, a like favour may be extended to me.

I have the honour to be

Yr,
your most obedient servant
