The following are the subjects
connected with the Judicial
Dept. which are likely to
come before H.C. The Court during
the course of his approaching
tour—

H. Amendment of the Coffee
Stealing Prevention Act, 1878

In March last the Puljiri
Planters Association present-
ed a memorial to Govt.
requesting that—
(a) The words "any
or other labourer employed
on a Coffee estate" occurring
in Sec. 9 of the Coffee Stealing
Prevention Act, 1878 may
be substituted by the
words "any cooly, maistry
or other person"

(b) The expression "green-
antored" appearing before
"Coffee" in the said section

(c) The provisions of Act VII of 1878 be extended to tea.
2. The memorial was referred to the Magistrates of the Coffee-growing dist^o for opinion. On considering the remarks the Govt decide upon amending the Coffee Stealing Prevention Act and accordingly prepared a Bill providing for the following matters —

(i) The extension of the scope of the Act to all coffee in parchment.

(ii) The omission of the words "employed on a coffee estate" occurring in Sec 2 of the Act.

(iii) The extension of the provisions of Act VIII of 1878 to tea wherever necessary.

3. The Draft Bill has been

by G.O. of 20 April 93. No. 886.

by G.O. of 24 May 93, No 1722.

sent to the Advocate Genl & the Sd. Magistrate of Nilgiris for remarks & with a direction to the latter officer to consult the Nilgiri Planters' Association on the terms of the Bill.

B. Amendment of Criminal Breach of Contract Act, 1859

The Wynad Planters' Association petitioned the Govt of India in 1892 about certain matters connected with the working of Act XIII of 1859.

The petition which contained the following requests was referred to the ^{Magistrate} Govt for opinion.

(i) That Act XIII of 1859 should be extended so as to cover Contracts between maintainers & coolies.

(ii) That the said Act should be so amended as to render a defaulting maintainer or

fully liable for the breach
of his contract even after
the term mentioned in the
contract, as well as to
punishment for the breach
of the contract.

(iii) That all labourers whose
names have been entered
in the check-roll of an
estate, and who may
have received an advance
of a sum (blanket)
or money from the employer,
should be deemed to have
entered into a contract
of service for one month,
to be renewable from month
to month.

(iv) That the duty of appre-
hending offenders against
Act XIII of 1859 should
fall upon the police.

(v) That defaulting mortgagors
should be treated in
the same manner as
defaulting bankrupts.

Letter to Duria of 10. Aug. 1892
No 1458.

(vi) That offenders against
Act XIII of 1859 should
be rendered extraditable.

2. The Local Court was
opposed to the granting of
the requests (i), (ii), (iii) & (iv). As
regards (v) it intimated its
willingness to issue an
executive order directing the
transfer of the duty of exe-
cuting processes under the
Act from Revenue Pannos to the
police, should the Court of
Duria desire such an ar-
rangement to be made. As for
(vi), this Court was prepared
to take steps to enter
into an arrangement with
the Native States of Mysore
Travancore & Cochin for
the reciprocal service
of summonses & habeas
warrants issued under the
Act.

3. The Court of Duria accep.
P. 116

The decision of the Govt. in
regard to requests (i), (ii), (iii),
(iv) & (v), but was adverse
to the granting of any
concession in respect of (vi)
in the manner suggested
by the Govt.

A. The decision of the Govt. of
India was in one sense
conformable to the Mysore Plant
Association and the Govt.
directed to undertake the
duty of executing processes
issued under the Act.

C. Lamoria of Calicut

On 4.1.13. April 90, No 654,
the Govt. decided to disconti-
nue the supply of booth
of gunpowder at the installa-
tion of new Lamoria.

As no intimation of this
decision was given to
the Lamoria of Calicut, the
Govt. allowed, on the applica-
tion of the present Lamoria,

G.O. 29. Aug. 92, No 1566.

The usual supply to
made at his installation
as a special case. In future
however no such supply
will be made for installa-
tion purposes & the Lamoria
has been informed to this
effect.

2. All public offices at
Calicut were closed on
the occasion of the present
Lamoria installation in
1892. A telegram was
received in July last from
the Fourth Raja of Calicut
requesting that a similar
public holiday may be
granted on the day 26th inst.,
that being the day of the
anniversary of the late Lamoria.
This the Govt. ^{approved} ~~approved~~ to do.
(vide G.O. 26. July 93, No 1566)

D. Removal of regiment from Mangalore

When the orders of Govt. in
p.T.C.

known. The L. Board of
S. Canara, the Munt. Council
at Mangalore & certain
inhabitants of that ^{place} station
submitted representations to
the Govt. against the con-
templated withdrawal
of troops from that station.
The Govt. however found
no reason to alter its
previous decision & informed

G.O. of 5. Dec. 92, No 704. P.O.

the memorialists to this effect,
but added that steps will
be taken to strengthen
the local Police Force.

The Insp. Genl. of P.O. was
accordingly called upon
to submit proposals in
consultation with the
L. Magistrate for reinforcing
the Police Force. These
proposals were received
& considered by Govt. in
G.O. of 3. June 93, No 1115.

G.O. of 5. Dec. 92, No 2229.

As a consequence the Police
Force at Mangalore has
been strengthened by 2 European
Ad. Cos., 4 Native Ad. Cos.
& 58 Cos. The Reserve men
there are to be accommodated
in one place and to be
armed with breech-loading
rifles. The Town & Taluk
Offices being provided with
breech-loading ~~snipers~~ ^{snipers}

2. Another petition was
received the other day from
certain inhabitants of
Mangalore in which the
danger of a rising of Munda
monadars consequent upon
the withdrawal of troops
was dwelt upon. This
petition is now under dis-
posal.

2. Removal of Mr. Homitap

of Malabar complained
the other day that Mr. Armi-
tage (Asst. Supt. of Police,
Tellicherry) is too weak
to cope with crime and
expressed that Mr. Hunt
should be sent back
to the District. This petition

is also under disposal.

The J. & J. of Police has in a recent report on the
Police Officer written in high terms of Mr. A. He is probably

too strong minded of too weak and
the black sheep with blue hair out
to the Mr. J. Hunt was not a
success in Malabar & got into the
water.

7. Vakil's Chambers at Palghat

The Vakil at Palghat sent a
petition to the Sessions Judge of South
Malabar requesting that chambers
may be provided for
them close to the Court. The
High Court, in forwarding the
petition, observed that the
construction of chambers
at Palghat may be left
to private enterprise. The
Govt. agreeing with the Hon.
the Judges refused to comply
with the petition's request.

On the night of the 12th February last the Jamath Mosque in Amman Anson of Waluvana taluk, built by the ancestors of Immian Haji the Adhigari of Pandikad and claimed by him was burnt down. The Muplats and specially Immian Haji accused two, viz. Subramanian Mussad, the Adhigari of the next Anson, Pandikad and Teyyummil Nair, a leading Nair of Amman, of having done the mischief. The families of the Adhigari of Pandikad & Immian Haji are reported to have been enemies for years. The house of the former has been burnt down & that of the latter once. The temple at ~~Waluvana~~ has also been set on fire. On the 13th February i.e. the day before the mosque was set on fire Teyyummil Nair and Immian Haji ~~quarrel~~ had a quarrel about a piece of land of which the former ~~had been~~ was cheated.

The Govt. directed Mr. Bradley to proceed to the spot without delay, and the troops at Malapuzha

~~was~~ ~~was~~ ~~through~~ the Military
Deptt to hold themselves in
readiness.

Meanwhile the Police on
the statement of a Hindu charged
Tajpurin Nair & Pandikad Adhigari
with having set the mosque on fire
and also Mutton who conducted
the enquiry found that there
was not evidence enough to
commit the accused to the
sessions and accordingly
discharged them under § 209 CrP.

In connection with this case
the Valiya Saikal of Benari suggested
that a pamphlet by him on the
excesses of hospital outrages
should be read in certain mosques.
Govt approved of this ^{suggestion} ~~suggestion~~
& ~~directed~~ ^{stated} that if the Saikal would
have the pamphlet printed & distributed
the Govt would make good the cost.

The Saikal however chose to do so
at his own cost & Govt directed that
he be thanked for it.

Subsequently the St. Maite
reported upon a ^{alleged} conspiracy to murder
the Adhigari of Pandikad & certain
nairs of Nemman. This appeared
to have no foundation whatever

and was the outcome of a
practical joke between Cheyi
Kutti, Police Inspector in
charge of the Angadipuram
division and J. Govindan,
Stationary Subhagte of Ennad.
The latter was suspended for
six months & the Inspector
General of Police has probably
dealt with the case of the
Inspector.

HER EXCELLENCY LADY WENLOCK, C.I.,
C. F. MACCARTIE, Esq., *Private Secretary*,
LORD DOUGLAS COMPTON, *A.-D.-C.*,
CAPT. HON. G. A. LASCELLES, *A.-D.-C.*,
SURGEON MAJOR W. B. BROWNING, and
MISS MOFFITT,

will accompany His Excellency.

(Signed) R. T. LAWLEY, Major,
Military Secretary to His Excellency the Governor.

Note for C.S.

All the subjects connected with the Judicial Dept. which are likely to come before H.E. the Governor during the course of his approaching tour are few; the following are all I can think of:—

(1) Amendment of the Coffee-Stealing Act, 1878.

A Bill to amend this Act has been prepared & sent with G.O. of 24 Aug. 1893, N° 1722, Indl., to the Adv. General & the Sec. Mag. of Nilgiris for remarks.

(2) Amendment of the Criminal Breach of Contract Act, 1859.

The Mysore Planters' Association petitioned about this in 1892.

The Madras Govt. reported adversely to the G. of I. in a letter of 10 Aug. 1892, N° 1458, Indl. The G. of I. accepted the views of the Madras Govt. & declined to take any steps to amend the Act. This decision was com. to the Planters' Association by G.O. of 17 June 1893, N° 1238, Indl.

(3) Zamorin of Calicut.

Govt. decided in G.O. of 29 Aug. 1892, N° 1566, Indl., to discontinue the supply of 600 lbs of gunpowder at the installation of new Zamorins. Also in G.O. of 26 July 1893, N° 1506, Indl., Govt. declines to order a public holiday upon the anniversary of the death of the late Zamorin.

(4) Vakil's Chambers at Palghat.

In G.O. of 22 Aug 1893, N° 1698, Indl., Govt., at the suggestion of the High Court, refused to undertake the building of chambers for

Vakkils at Palghat.

(5) Removal of regiment from Mangalore.

A petition was received the other day from certain inhabitants of Mangalore in which the danger of a rising of Muhammadans consequent upon the withdrawal of the troops was dwelt upon. The Police force has however been strengthened by 64 men since the troops were withdrawn.

(6) Removal of Mr. Armitage.

Some of the inhabitants of Malabar complained the other day that Mr. Armitage (Asst. Supt. of Police, Tellicherry) is too weak to cope with crime & prayed that Mr. Hunt should be sent back to the District. The petition is under disposal.

B. In the Educational Dept.

I know of nothing worth noting.

C. In the Legislative Dept. questions may be raised regarding the Malabar Marriage Bill, the Malabar Evictions Bill & the Proprietary Estates Village Service Bill. I enclose an office-note regarding these three Bills.

22 Sept.

Note for C.S.

As directed I submit a revised note regarding the subjects likely to come before H.E. while on tour.

There is nothing in the Educat. Dept. which is likely to come up. The Palghat Victoria College to which C.S. refers is a Municipal institution & matters connected with it are not dealt with in the Educat. Dept.
