PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

READ—the following letter from G. F. T. POWER, Esq., Acting Collector of South Canara, to the Secretary to the Commissioner of Salt, Abkari and Separate Revenue, dated Mangalore, 24th July 1893, No. 2813:—

With reference to Board's Proceedings, dated 24th April 1893, No. 169, I have the honour to state as follows:—

Paragraph 13.—The discrepancy between the quarterly returns of passengers relating to this district and the annual Emigration Report for 1892 is three passengers to Burma and one passenger to Ceylon. These are not emigrants proper, but ordinary passengers. I regret to say, however, that this discrepancy is entirely due to an omission in my office (through oversight) to report these figures to the Board and the Protector of Emigrants also in the annual report. The fact is that the figures were omitted in the first instance in the returns of the Port officer of Mangalore, and this error was unfortunately not detected in my office.

Paragraph 14.—I regret that the omission to furnish the returns of the ordinary passenger traffic noticed in this paragraph is also due to the same cause. I have now taken steps to submit such returns regularly in future.

Paragraph 18.—The discrepancy of 15,523 passengers from "other ports of British India" between the quarterly returns of passengers and the annual Emigration Report is due to these figures not having been reported in the annual return through a mistaken impression that the ordinary passenger traffic need not be included in the latter. Due care will be taken in future to include the passenger traffic also in the annual reports as directed by the Board.

2. I take this opportunity to solicit the Board's instructions as to the form in which the annual report or return including ordinary passenger traffic should be submitted to the Board, as none appears to have been prescribed.

RESOLUTION—dated 22nd August 1893, No. 369.

Recorded.

2. With reference to paragraph 2 of his letter, the Collector's attention will be drawn to the form prescribed by Government in G.O., dated 15th August 1884, No. 1789, Public (communicated with Board's Proceedings, dated 24th September 1884, No. 3341), and printed on page 33 of the Proceedings, which provides separate columns for statistics regarding non-regulated and regulated emigration. In lieu, however, of this form, those appended hereto will be substituted and should be adopted by all Collectors in future. In addition to these statements, one showing receipts and expenditure should also be submitted, as directed in paragraph 1 of the Board's Proceedings quoted above.
