Sir.

In continuation of my telegram
of the 30th November I am directed to
forward for the information of

His Excellency the Governor
in Council a copy of the
Correspondence noted on
the margin showing the
circumstances under
which a local enquiry
as to the boundary between
the Chanda District of the
Central Provinces and
the Nizam's dominion
has been ordered.

From the offg. Secy. to the C.C.C.P. No. 2344
dated the 21st June 1890 and enclos.
To the Resdt. at Hyderabad No. 6219
dated the 5th February 1891.
From the Resdt. at Hyderabad No. 7
dated the 14th June 1892 and enclos.
To the C.C.C.P. No. 2952 dated the 28th
July 1892.
To the Resdt. at Hyderabad No. 29659
dated the 25th July 1892.
From the Resdt. at Hyderabad No. 2336
dated the 17th August 1892 and enclos.
From the under Secy. to the C.C.C.P.
No. 5865 dated the 24th August 1892.
To the Resdt. at Hyderabad No. 3425
dated the 3rd September 1892.
To the C.C.C.P. No. 3782 dated the 5th
October 1892.

2. I am to request that the Government
of India may be informed of the
results of the enquiry so far as they
concern Madras territory and
that pending a communication of the
result to the Government of the request

raised in your letter No. 111) dated 22 November may stand over.

I am however to point out that from passages in Mr. Phillip's letter of the 14 October (enclosed with your letter No. 4893 of the 8th instant) there appear to be doubts regarding the boundary of the Bhadrachalam taluk which may require investigation independently of the Chanda enquiry and to suggest that the Madras Government should arrange with the Resd. at Hyderabad for the settlement of the boundaries of the Godavari Coal Company's Bhadrachalam Concession beyond all possibility of dispute.

I have the honor to be
Sir

Your most obedient servant

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Telegram from

the Chief Commissioner Central Provinces. Nagpur dated 19th December 1892:

"Our dispute originated over cultivation of portion of bed of Godavari in Nagpur Taluk. Nagpur claims whole bed and that left bank is boundary between British and Hyderabad Territory, the enquiry to be made by Deputy Commissioner Chanda is whether this claim is borne out by local practice in Chasla Alibakee and Nagpur Taluk of Sonnera Tahsil as it is very probable that results of the enquiry may affect whole boundary of British Territory formed by Godavari the Chief Commissioner thinks that good may come from Madras representative being present at the local enquiry which begins on or about the 20th February the Deputy Commissioner of Chanda will conduct the enquiry."

Sir, I have been lately editing for the Imperial and Asiatic Quarterly Review a number of Miscellaneous notes left in M. S. by the late Sir Walter Elliot, and amongst these I have come across the enclosed paper, which I request may be returned in original. It will I think be considered interesting and deserving of publication, being a note by an observant and thoughtful official on the condition of the Ryots and on the land revenue system in force in the Southern Mahratta country in 1833, fifteen years after that country passed into British possession.

2. I have the honor to request that the sanction of the Bombay Government may be obtained for its publication in the Review mentioned above.
