OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Madras, 3 February 1893.

No. 127
From

SURGEON MAJOR-GENERAL W. F. DEFABECK, M.D.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE Chief Secretary to Government
Public Department.

SIR,

In returning the telegram from
the Government of India and your Endorse-
ment No. 221 of the 3rd instant, I have the
honor to state that as there are no extra
military apothecaries at my disposal I
regret I am unable to spare any for em-
ployment in the Civil Department Burma
&c. The number of warrant Medical
Officers now serving directly under my
orders is 17. Of these, one is practically on
sick leave, so that the actual number
fit for duty is only 16. This forms the
war reserve to be maintained in the
Civil Department vide India Army
Circular Clause 149 of 1890 and cannot
be spared for duty elsewhere, especially
as demands are received from the
Military Department for more apothecaries

3/ It will be seen from G.O. N^o 3028
Jaily: dated 10th May 1892 that 5 Apothe-
= caries were sent to Burma last year
for employment in the Civil Depth,
but no extra men are now available.

I have the honor to be
Sir

Yours most Obedt. Servant

Wm. F. Fiske

Surgeon General with the
Govt. of Madras.
