OCTOBER.

Monegar Choultry.

Reviewing the annual report and accounts of the — and connected institutions for the year 1892.

4. *Foundling Asylum*.—The average daily number of children maintained during the year was 4.17 against 4 in the previous year. The cost incurred under this head was Rs. 84-8-1 or on an average of 10½ pies per head per day against 8½ pies in 1891.

5. *Native Infirmary*.—The average number of patients maintained daily was 115.37 against 94.31 in 1891. The expense incurred was Rs. 7,357-11-3 or on an average 2 annas 9½ pies per head per day against 3 annas in 1891. The cost of establishment was Rs. 1,313-5-1 against Rs. 1,300-3-4 in the previous year.

6. *Rajah Sir Savalai Ramasamy Mudaliyar's Lying-in Hospital*.—The total number of patients admitted in this hospital during the year was 697 against 714 in 1891. The cost of dieting was Rs. 1,112-4-1 against Rs. 1,068-15-8 or on an average of Rs. 1-9-6 against Rs. 1-7-11. The expense on account of batta was Rs. 384-0-0 against Rs. 313-9-6 in 1891. The increase is due to more admissions during the year to whom batta was given. The cost of establishment under this head was Rupees 1,911-5-4 against Rs. 1,837-1-5.

7. *Rajah of Venkatagiri's Choultry*.—The daily average number of pauper inmates maintained in the choultry was 50 besides 108 out-door paupers supplied with rice dole of 2 ollocks a day; while in the previous year the number of pauper inmates was 48.34 and of out-door recipients 108; and the cost of dieting, &c., was Rupees 4,496-3-10 against Rs. 3,856-10-8 in 1891. The average cost for feeding each pauper per day rose to 1 anna 9½ pies in the year under report from 1 anna 6 pies in the previous year, and this rise was due to the rise in price of food-grain, which was Rs. 1-7-0 a marcal in the year against Rs. 1-1-0 in 1891.

8. *Lord Napier School*.—The number of children attending the school during the year was 12 against 13 last year.

9. We have to report very favourably on the system of light labour among the paupers. All paupers not absolutely bed-ridden were engaged, under the management of the superintendent, in some light and suitable labour which proved advantageous to their health. Some of them were employed in the garden and others in the kitchen, cleaning rice, sweeping various wards, watering plants and weeding and sweeping the compound.

10. The accounts were audited during the year by Rajah Sir Ramasamy Mudaliyar, Kt., C.I.E., as usual, and we place on record our appreciation of his valuable services.

11. During the year under review appeals were sent to obtain subscriptions from the public; but we regret to state that our efforts did not prove more successful than in the previous year.

12. On the whole the Committee are satisfied that the institution has been carefully and economically worked to the great benefit of the infirm poor and the saving of life, and they specially rejoice that so much suffering has been alleviated in the sick wards.

13. The thanks of the Directors are due to Surgeon-Lieutenant-Colonel H. D. Cook, the Surgeon in charge of the hospital, for his hearty co-operation in the working of the institution.

14. With extreme regret we have to report the death of Mr. Gopathi Mahadeva Chettyar, an old Director of this institution, who was liberally contributing to the funds a sum of Rs. 100 annually.

15. We thank Rajah Sir Savalai Ramasamy Mudaliyar, Kt., C.I.E., for his munificent endowment of Rs. 10,000 towards his Lying-in Hospital, depositing same with Messrs. Arbuthnot and Company until such time as the 4 per cent. Government securities are sold at a reasonable rate.
