*Medical.*

Simla, the 30<sup>th</sup> September 1893. 

SIR,

A WANT of uniformity having been noticed in the manner in which the number of operations performed by individual Medical Officers are reported in the Annual Reports of Charitable Hospitals and Dispensaries in the several Provinces in India, I am desired to state that the Government of India consider that it will be sufficient if a list showing the names of the officers who have performed any major operations, with the number of such operations performed by each officer, is given in the body of the report in future. When an officer has not been present during the whole year, the period during which he has been present should be noted against his name.

I have the honour to be,

SIR,

Your most obedient Servant,

*H. Lusson.*

*Under-Secy. to the Govt. of India.*
