OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Madras, 30 January 1893.

No. 186.

From

SURGEON MAJOR-GENERAL W. F. DEFABECK, M.D.

SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To

THE

Chief Secretary to Government
Public Department

SIR,

With reference to G.O. No. 48 Pub:
dated the 25th January 1893, I have the
honor to state that I propose to place
the work in the hands of Surgeon Captain
F. J. Crawford M.D., as Secretary, who has
now been working in the office since May
1892 and is likely to remain in it till the
work can be completed. From his daily
acquaintance with the working of the
Department and the orders of Government
and the Circulars issued by this office —
he is, I think, the most likely to make
the work complete. He is willing to devote
a share of his leisure time to it. It will
be necessary to employ a clerk, as a large
mass of records must be gone through and
there will necessarily be much writing.
The present Office Establishment was as

much

much as it can cope with in the ordinary
work of the Department. The Clerk might
be sanctioned on Rs 40 per mensem for a
period of 6 months for the present, till I am
able to see how the work progresses.

I have the honor to be
Sir

Your most Obedt. Servant

W. H. Jackson Esq
Secy.

Mr. Surgeon General with the
Govt. of Madras.

approved, but the pay of the clerk is too high a prop. statement for the employment of a clerk on Rs. 20 ³⁰ per mensem for six months should be submitted for sanction.

Vote
In the present state of the market Rs. 20 will command as much in the way of educ. attainments & untried intelligence as Rs. 40. It is suggested that para: 2 of the G.O. may be:-
"The S. G. will probably find it convenient to employ one of the permanent clerks in his office on the special work ~~and to let~~ his duties ^{being} performed by the temporary hand".
