From

A. Luson, Esq.,

Under Secy. to the Govt. of India.

The Chief Secretary to the Government of Madras.

Simla, the 11th October 1893.Home Department
(Medical)

Sir,

I am directed to acknowledge the receipt of your endorsement No. 593 dated the 22nd August last, forwarding a copy of the annual returns of the Civil Hospitals and Dispensaries in the Madras Presidency for the year 1892, with a copy of the Madras Government's Resolution recorded thereon.

I am to point out that under the orders contained in the Resolution recorded in the Home Department No. 28.1579 dated the 15th July 1887, the Report on Civil Hospitals and Dispensaries for 1892 should have been a full report. It is noticed, however, that in accordance with the proceedings of the Madras Government No. 1455 dated the 12th July 1880, the Report for that year contained only the annual returns of Civil Hospitals and Dispensaries with brief notes on their working; the report for 1888 being a full report. Accordingly, the year 1887 and 1890, the annual returns

3. As it is convenient and desirable that the practice in all Provinces should be uniform, I am to request that, with the permission of His Excellency the Governor in Council, a note comparing the statistics for the year 1892 with those of the preceding two years may be submitted for the information of the Government of India.

4. I am to add that it is not necessary to revise the present report which will be accepted as the triennial one on receipt of the information above called for. The next triennial report should be for the year 1895.

I have the honour to be,

Sir,

Your most obedt. Servant,

READ—the following paper:—

From H. LUSON, Esq., Under Secretary to the Government of India, Home

I am directed to acknowledge the receipt of your endorsement, No. 593, dated
the 2nd August last, forwarding a copy of the annual returns of the civil hospitals
and dispensaries in the Madras Presidency for the year 1892, with a copy of the
Madras Government's Resolution recorded thereon.

2. I am to point out that, under the orders contained in the Resolution recorded
in the Home Department, Nos. 28—1579—95, dated the 15th July 1887, the report

noticed, however, that, in accordance with the Proceedings of the Madras Government,
No. 1455, dated the 12th July 1886, the report for that year contained only the annual

report for 1888 being a full report. Accordingly, for the years 1889 and 1890 the
annual returns with brief notes were submitted, and for the year 1891 a triennial or
full report was prepared.

3. As it is convenient and desirable that the practice in all Provinces should be
uniform, I am to request that, with the permission of His Excellency the Governor
in Council, a note comparing the statistics for the year 1892 with those of the
preceding two years may be submitted for the information of the Government of India.

4. I am to add that it is not necessary to revise the present report, which will be
accepted as the triennial one on receipt of the information above called for. The next
