Subject

Intimating that H. E. Lieut General Mansfield Clarke arrived from England on the 28th Inst and assumed the office of Commander-in-Chief.

Major Genl. Clarke

Entered on his duties as Comdr-in-Chief on the 28th instant, and accordingly took upon himself the execution of his office as member of Council at the same time. Orders are requested whether the accpy. drafts as altered may issue under today's date. For precedent for this procedure attention is respectfully invited to the wording of G.O. of 12.3.91, vol 198, & to pages 125/6 of the Handbook of Procedure & Precedents.

This by no means follows. In James's former amendment of 5 Mar 91 & in the order of the Council on the following day. The original of G.O. of 6 Mar 91 does state this but does not show on what the fact was based. I think that the proper course when a member of Council does not take his seat on the day when he enters on the execution of his office, is for him to intimate to the Chief Secy to Govt that he has taken the latter action, either by letter or that the Chief Secy should wait upon him & take his instructions. As C. is absent, I think the Mil. Secy to Govt should now do this, & that the date by O. attached.

intimated by H.E. the C in C. should be entered in the G.O. in Public Dep.
