Govt. Medical Stores

Madras 5th October/93

From

The Principal Medical Stockkeeper
Madras.

To,

The Secretary to the Surgeon General
with the Govt. of Madras.

Reference

Your N^o 6033 dated 2nd Instant giving
cover to P.G. N^o 789 dated 23rd September
1893 Public Department - herewith returned.

Sir,

I have the honor to state that the indents
for Periyar and for Tekkadi were put in
hand immediately after the indents
preceding them had been complied with.
There was no intimation to this office
regarding their urgency to justify other
indents being set aside on their special
account.

Periyar indent was despatched on
the 2nd and Tekkadi on the 8th September/93
respectively.

Moreover

Moreover Medical Subordinates in charge of Hospitals are aware that any drugs of which they are running short can be requisitioned for an emergent indent and supplied in a few days - This course is often adopted where any special drugs are urgently required in advance of the Annual Indent. Had this procedure been followed there would have been no necessity to purchase Quinine from Messrs. W. E. Smith & Co. Madras.

2. If the Superintendent had adopted the ordinary course of submitting a separate requisition for quinine, for supply in advance of the Annual indent or at least intimated to this Office or to the Storekeeper that it was urgently required steps would have been taken to despatch the supply at once.
