Sir,

Sir,
October 1893.

I am directed to acknowledge the receipt of your letter No 449, dated the 20th ultimo, recommending that the pay of the Superintendent of the Government Press at Madras may be increased from Rs 700/- a month to Rs 800/- rising by annual increments of Rs 40/- to Rs 1000/- per mensem, with effect from the 1st August last.

2. In reply I am to say that, while agreeing with the Government of Madras that a case is made out for increasing the pay of the Superintendent of the Government Press, the Government of India consider that there is not sufficient reason for recommending to the Secretary of State an increase with retrospective effect. The Governor General in Council is also of opinion that, of the minimum of Rs 800/- proposed by the Madras Government the future pay of the Superintendent should be fixed rising by annual increments of Rs 40/- to Rs 1000/-,

Personal reasons regarding the present incumbent should manifestly not affect the permanent pay of the office, and, having regard to the rates of pay given elsewhere, it is believed that an initial pay of Rs 600/- would be sufficient to secure the services of a duly qualified person on the occasion of the next vacancy. In this view the pay of the Superintendent of the Government Press at Allahabad has been recently revised and fixed at Rs 500/- rising to Rs 1000/-. His Excellency in Council is, however, prepared to recommend to the Secretary of State that Mr Hill should be allowed to draw Rs 450/- a month, with effect from the 1st January 1894, and to receive increased pay thereafter according to the annual increment proposed.

3. I am to enquire whether the Government of Madras agree to the modified proposal stated in the preceding paragraph, and to say that if so a recommendation will be made accordingly to Her Majesty's Secretary of State for India.

I have the honour to be,

Sir,

Your most obedt. Servant,

H. Linsou.

For Offg. Deputy Secy to the Govt. of India.
