G.O., dated 4th October 1893, Nos. 684-85, Political.

ABSTRACT.—Communicating to the Resident in Travancore telegram from the Secretary of State intimating the selection and appointment of Dr. E. Innes for the post of medical officer of the Nayar Brigade.

READ—also the following papers :—

From H. B. GRIGG, Esq., M.A., C.I.E., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 11th October 1893, Ref. on C. No. 2213.

With reference to your telegram No. 592 of the 4th instant, intimating that the Right Honorable the Secretary of State for India has selected and appointed Dr. E. Innes as Surgeon to the Nayar Brigade, Trivandrum, and that, in his Lordship's opinion, a course of training in the General Hospital at Madras is preferable to that at Netley, I have the honour to inform you that the Travancore Durbar has no objection to effect being given to this suggestion. The Durbar leaves the period of the course to be fixed by Government in consultation with the Surgeon-General.

No. 1847, Political.

Referred to the Surgeon-General for proposals as regards the course of training in the General Hospital, Madras.

OOTACAMUND,
17th October 1893.

(Signed) J. F. PRICE,
Chief Secretary.

To the Surgeon-General (through the Public Department).

From H. B. GRIGG, Esq., M.A., C.I.E., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 3rd November 1893, Ref on C. No. 2379.

In continuation of my letter, Ref. on C. No. 2213 of the 11th ultimo, and at the instance of the Travancore Durbar, I have the honour to request that the Government will be pleased to instruct the Surgeon-General to make the necessary arrangements for giving Dr. Innes, the officer selected by the Secretary of State for the medical charge of the Nayar Brigade, a course of instruction in the General Hospital, Madras. From the correspondence recorded in G.O., dated 4th October 1893, No. 684, Political, it will be seen that Dr. Innes is expected to embark in the *Manora* on the 3rd instant. The Diwan now writes to say that he will ask him to report himself on arrival at Madras to the Surgeon-General with Government.

From Surgeon-Major-General W. F. DEFABECK, M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 8th November 1893, No. 573.

With reference to the enclosed letter from the Resident in Travancore, referred to me under your endorsement No. 1847, dated the 17th October, I have the honour to state that, in my opinion, the course of training in the General Hospital, Madras, for Dr. Innes, of the Travancore service, should be the same as that laid down for junior officers doing duty in the General Hospital on first arrival in this country.

- (a) He should visit the wards of the hospital at 7 A.M. and at 5 P.M. each day.
- (b) He should attend all operations and *post mortem* examinations.
- (c) He should be given a certain number of patients (medical or surgical) whom he should treat under the direction and responsibility of the medical officers of the hospital.
- (d) After visiting the patients entrusted to his care, he should join the Senior Physician and Senior Surgeon of the hospital in their rounds on alternate days.
- (e) He should attend the Government Ophthalmic and Lying-in hospitals on the days set apart for operations and pay attention to the practice of these institutions.

2. The course of training may extend to three months.

ORDER—dated 13th November 1893, No. 762, Political.

The proposals of the Surgeon-General in regard to the course of instruction of Dr. Innes at the General Hospital, Madras, are approved.
