Sir,

In reference to your N^o 4673
dated 1st August 1893 forwarding copy of
Proceedings of Madras Govt. G.O. N^o 584
dated 27th July 1893 I have the honor to
state that the house which it was proposed
to rent at Rs 150 per month was let to another
tenant before the sanction of Govt. -
could be received. Under these circum-
stances it was found necessary to find
other accommodation for the Resident
apothecary and matron. A house in
St. Thome on a rental of Rs 60/- was
taken for the Resident apothecary's
family

family while he continued to occupy a small portion of his own house, such as could be provided for him as a make-shift, while the repairs are going on. A house in Vepery at a rental of Rs 55 was taken for the matron.

2/ I would now request that the balance available viz Rs 35 be allotted to the matron to cover expense of conveyance to and from the Hospital. She has to go to Vepery for meals & and to make the journey to and fro several times a day. Her hospital work involves an immense amount of standing and walking and a carriage is absolutely necessary to convey her to her temporary residence.

SIR,

With reference to G.O. No 584 dated the 27th July 1893, I have the honor to forward the enclosed copy of a letter from the Superintendent Lying-in-Hospital - Madras from which it will be seen that he has not been able to secure the house which it was proposed to rent at Rs 150 per month.

2/ The arrangements made by Surgn: Lt: Col: Branfoot under the circumstances, for the accommodation of the Resident apothecary and the matron of the Hospital appear to be about the best that could have been made. By the new arrangement a balance of Rs 35 becomes available and the Superintendent recommends that this amount be allotted to the matron to meet the expenses of her conveyance to and from the

the Hospital as she has to go to her house
in Vepery several times a day. I support
this recommendation and trust that
Government will be pleased to sanction the
same as no extra expense is entailed thereby.

Subject.

Stating that the allowance of Rs 35 p.m. to the Matron of the Lying-in Hospital Madras for the period during which she is obliged to live outside the Hospital premises requires the sanction of the Govt. of India.

M.H.

For orders whether India may be addressed or the application refused. The rule quoted refers to 2813 permanent convenience allowances. This is a temporary case. Might not the amount be sanctioned as a sort of personal ^{compensation} allowance for the few months during which she has to live in hired quarters?

I submit that the sanction of India should be applied for. What is proposed will cost no more than the ~~total~~ cost originally sanctioned and the Govt. has made out a very good case for the concession.

4/11/93

Yes - but the amount seems rather excessive. She could well go to & live in a private house. To avoid a reference to the Govt. in a temporary case, I think the suggestion in the office memo might be adopted, if it will not object.

Ref. 27/10/93 No. 3176
With ref. to the report No. 3176 of the 21.10.93, the A.G. is requested to state whether there wd. be any objection to the grant to the Matron of a personal compensation allowance of Rs. 20 or 25 p.m. for the few months during which she has to live in hired quarters.

DESPATCH

24/11/93

N.B. This whole transaction seems to me an unsatisfactory one. The reason given why the Matron & the Ap. Matron had to vacate their quarters for 3 months was that "the annual repairs" had to be carried out. Hence it would seem that the Matron requires 3 months every year to do the triple of white washing & that has to be done annually. I would strongly have given the original sanction on the facts brought forward. Of course the fact may have been incorrectly stated & I should hope this was so.
