OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Post received 17th May 1893.
Madras,

No. *0742*

From

SURGEON MAJOR-GENERAL W. F. DEFABECK, M.D.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras.

To

THE Honble the Chief Secy. to Government
Public Department,

SIR,

With reference to G. O. No. 123 Public dated the 14th February 1893, I have the honor to state that the Leper Hospital referred to in the address presented to His Excellency the Governor is at Trichinopoly and not at Tirunelveli, and I placed myself in communication with the Chairman of the Municipal Council Trichinopoly and the District Surgeon on the subject before submitting my views to Government.

2. According to the reports received there are 10 in-patients in the Leper Hospital and 75 lepers in the town, and it does not appear from the Chairman's remarks that any accommodation is ever likely to be necessary for the latter. Of these patients in the Hospital 8 are willing to be transferred to

and the Chairman believes that the
other two could be induced to follow
his example.

In the Madras Leper Hospital
there is no accommodation for these
patients, but the Civil Surgeon Cochin
reports that the Pallipat Lazaretto could
accommodate 10 patients at the daily
cost of annas 2½ each for diet. The Municipality
of Trichinopoly has expressed its willing-
ness to pay the maintenance charges of
the lepers. Under these circumstances
there seems no objection to the Leper Hosp.
at Trichinopoly being closed in accordance
with the wishes of the Council, especially as
it is situated in a densely populated
neighbourhood.

I note it is proposed to convert the
buildings of the present Leper Hospital
which are in a fair condition into a poor-
house. There is reason to believe that
the change will be for the good of the town.

I have the honour to be,

Sir

Yours most obedt. servant

The closing of the Lepers hospital at Trichinopoly and the removal of the lepers to the Pallipatt Lazaretto on the conditions specified ~~and the closing of the Lepers hospital at Trichinopoly~~ are approved.

Stating that the Leper Hospital referred to in G.O. No. 123 of 14-2-93 is at Trichinopoly and not at Airungam and under the circumstances stated within, the Leper Hospital can be closed & the patients (lepers) transferred to the Pallipatt Lazaretto, Cochin where accommodation is available for 10 lepers.

To The Surgeon General.
Local & Muni. Departt.

The Muni. Council evidently thinks that if the Leper Hospital at Trichy is closed the lepers there will be transferred to Madras. They will probably object to their being sent as proposed by the S.G. to Palapatt a place far removed from and in a totally different country from the place where the lepers have probably been born and bred. It is submitted that the S.G.'s letter should be forwarded for the remarks of the Council. It is exceedingly likely that even if that body consent to the arrangement proposed the lepers themselves, will on hearing what their destination is to be refuse to go. They cannot be compelled to. The Council will then have to decide between keeping the hospital on or turning the lepers adrift. As there are 75 more lepers about the town adding 10 to that number could scarcely do any harm. To maintain a hospital for only 10 patients appears an absurd waste of money.

Chief Secretary to Government,

Through the Collector of Trichinopoly.

Sir,

Sir,
Your Memorandum No 933
dated 25th May 1893.

2. In the first place, I beg to tender my best thanks to the Surgeon General for his kindness in intrusting his willingness to rid this town of a long standing nuisance namely the presence of a number of lepers from a densely populated neighbourhood

3. The Comand is willing to contribute for the maintenance of the Lepers at the rate mentioned in the Surgeon General's letter.

4. As for the use to which it is proposed to put the buildings which would become vacant by the closing of the Deper Hospital,

I beg to inform Government
that the Council has changed
its mind as to converting the
same into a poor house. Our
present financial position will
not allow the expenditure;
and besides it is open to
question if the policy of collect-
ing in that neighbourhood
all sorts and conditions of the
poor — most of them certain-
ly diseased — is not but
a trouble from trying
putting into the fire.

5. Every thing considered,
the best use to which
the buildings can be put is,
it is respectfully submitted
the only one indicated in
the resolution of the Council,
Copy of which is herewith for
your consideration.

6. Just here it should
be remembered that by G.O.
No. 166 in misdated 9th February 1889
Government gave to us
— and the town best thanks

are due to Government for
this gift — but one-half of
the block of buildings originally
used as the District Jail. This one
half after necessary repairs is
now being used by us as a court
market and fetches the Municipality
an annual revenue of
Rs 1,900; the other half is still
in the possession of the Govern-
ment and is used as a Sub
jail for under-trial prison-
ers, also for the incarceration
of offenders sentenced to
terms of imprisonment under
one month.

7. These are not many
in number and the Hospital
buildings with it, it seems to me
afford them proper and suffi-
cient accommodation. It is
respectfully solicited that
the buildings at present used
as the Subjail may be handed
over to us for use & enjoyment.
If Government will be pleased

to confer on ~~us~~ this fund,
the partition wall between
this and our present corn
market may be knocked
down and the entire suite
of buildings may be used as
an extended corn market.
Our corn market will then be
twice what it now is and the
income from this source will
of course proportionately rise
by Rs 1000.

8. Just now when
we are at our wits end
as to finding ways and means
for the water supply scheme (a
reference to G.O. No. 2113 M
dated 30th November 1891 will
show that with the utmost ^{pinching} ~~frugal~~ ~~and~~
and scraping we are not able
to provide more than 28,200
out of the 35,046 required.)
This additional revenue which
we might obtain if Govern-
ment please, will be

a material help indeed.

I have the honor to be,
Sir,

Your most obedient

P. Raghawani

INSPECTOR-GENERAL OF JAILS,

THE

CHIEF SECRETARY TO GOVERNMENT.

SIR,

In returning the papers forwarded to me for remark under Mr. Butterworth's endorsement No. 1850, dated 18th October 1893, I have the honour to submit a copy of a letter from the District Magistrate, Trichinopoly, No. 1300 dated 1st November 1893 and to state that I agree with the District Magistrate in considering it undesirable to accept the proposal of the Trichinopoly Municipal Council to convert the Leper Hospital at that station into a sub Jail. The statements of the District Superintendent of Police seem to be conclusive as to the unfitness of the building for the purpose proposed, while in my opinion, the existing sub Jail is a good one rather than the contrary.

2. As regards the District and Medical

officer's suggestion that Sub Jail prisoners should be sent to the Central Jail, I beg to invite attention to para 11 of my report dated 20: May 1891 recorded in G.O. 6: November 1891. No 2286. The Central Jail is more than 3 miles distant from the town of Trichinopoly and it would hardly be practicable to keep prisoners there and to bring them from and to the courts daily.

The proposal to transfer the
 ten lepers from the hospital at
 Trichinopoly to the Pallipatti Lazaretto,
 Cochin, is approved. The charge of two
 and a half annas per head per diem
 has been accepted by the Municipal
 Council of Trichinopoly.

2. It is observed that eight of
 the lepers have expressed their willing-
 ness to be transferred. If the remaining
 two object they should not be forced to
 proceed to Cochin, but the alternative
 is to accept no further responsibility
 in connection with them. It is reported
 that there are already 75 lepers in the
 town of Trichinopoly, and two more can
 make little if any difference.

3. The Government regrets that in view of reports from the local authorities it is unable to accept the suggestion of the Municipal Council that the leper hospital buildings should be converted into a sub-jail.
