Returned to the Military

Department with the remark that the flag
asked for in March last was required to
replace one that had been in use for
some years at Stone House Hill on Council
days. On receipt of a reference from the
Military Department it was ascertained
that the old flag was a "Flag, Union,
Service" and one of that description
was accordingly ^{applied for} requested. The fact that
a "Flag, Union, Service" ^{had} ceased to be
recognised by Military Regulations was
not known, and it appears to the under-
signed that - knowing the purpose for
which the flag was required - it was for
the Military authorities to point out
the correct article of supply.

2. With reference to para 2 of the
letter from the Government of India the
undersigned is directed to intimate that
a correction of the regulations is not
desired, and that a "Flag, Union,
Viceroy's" 18' x 12' will be substitu-
ted for the "Flag, Union, Service" as
soon as it is supplied by the Ordnance
Department.

The

caution is invited to the accpy. letter from
should be made to the Military Secretary

o H.E. the Governor.
