OFFICE OF SANITARY COMMISSIONER,

Fort St. George, 23rd November 1893.

W. G. King, M.B., C.M., D.P.H.,
SURGEON-MAJOR

SANITARY COMMISSIONER FOR MADRAS,

To

The Chief Secretary to Government,
Financial Department.

Enclosure.

SIR,

With reference to G.O. dated 15th Sep.
1893 N^o 911, Financial, communicated to me in
response to my letter N^o 1462 dated 1st Sep.
1893, I have the honor to state that, on my
placing the matter before the Accountant-Ge-
neral, he has expressed the opinion that the
order debaring the incumbents of this appoint-
ment from House-rent cannot be supported.
He, however, again points out (vide his letter N^o
2063 dated 24th July, 1893, forwarded with my letter
above quoted) that this fact will not aid me,
unless I also secure an order from Government
debaring me from private practice. I, therefore,
again approach Government, and respectfully
request that my letter above quoted applying
for an order in the matter of private practice
may be reconsidered.

2. Under G.O. dated 13th Sept. 1888 N^o 707,
an order of Government debaring from private
practice is rendered necessary, in the case

of Medical Officers in receipt of less than Rs 1400 per mensem. As regards the standard thus fixed, my pay is well within the limit as, notwithstanding the ground given for refusal, namely, that the appointment is of the average value of Rs 1600, this sum can never be secured by me as an Acting Officer. As, after being deprived of my permanent appointment, I have not been given a permanent post in the Civil Department, my pay is reckoned with regard to charge of my Regiment making a total of Rs 2400. I need hardly say that house rent in the Presidency Town upon this pay is a severe tax which, it is obvious, it is the intention of Government in allowing all other officers house rent upon the conditions named, should not be borne without State aid. Indeed, the error made originally in this matter would seem to have been due to ignoring the fact that the allowance is strictly local in its character, having reference to the unusually high rate of rent in the Presidency Town of Madras.

3. I need not again trouble Government with a statement of reasons for my considering the duties of my appointment incompatible with pursuit of private practice, as in any case the principle has already

already been conceded in G.O. No. 272 of 9th April 1890 Public Health Sanitary Commission. I would Government now be pleased to pass an order in accordance with my representations, I trust the consideration will be extended further to me of making its retrospectiveness in effect from the date of my original application.

I have the honor to be,
Sir,

Your Most Obedient Servant,

[Signature]
Ag. Sanitary Commissioner
for Madras.
