MILITARY DEPARTMENT, 1ST FEBRUARY 1894, No. 690.

GOVERNMENT OF MADRAS.
:
MILITARY DEPARTMENT.

Contracts—Commissariat.

Read the following paper :—

No. 21. *From Lieutenant-Colonel J. A. MILEY, Deputy Secretary to the Government of India, Military Department, to Brigadier-General H. R. HOPE, Secretary to the Government of Madras, Military Department; dated Fort William, the 19th January 1894, No. 228-F.*

Contracts—Commissariat.

The Government of India have had under consideration the question whether, on the abolition of the Presidential armies, contracts for supplies and services to the Commissariat Department, which have hitherto been entered into and confirmed under the orders of the Government of Madras, will continue to be so treated.

2. In this connection I am directed to state, for the information of His Excellency the Governor in Council, that the contracts in question are the result of public competition. Tenders are invited by advertisement whereby due publicity is ensured, and, as they do not necessarily affect local industries, for a contract in one presidency or province may be taken up by a contractor in another presidency or province, the Government of India have decided that these contracts should, on the re-organization of the Army Commands, be disposed of under their orders obtained through the Commissary-General-in-Chief.

3. I am to add that, in cases in which the Government of India may consider it necessary, the advice or assistance of the Government of Madras would be obtained in regard to local industries or local contracts.

No. 22. ORDER THEREON, 1st February 1894, No. 690.

Communicated to His Excellency the Commander-in-Chief and departments concerned, for information.
