Medical Cases of Officers.

Recording despatch from the Secretary of State, intimating that it was desirable that the medical case of Mr. A. C. S. Despatch from the Right Honorable Lord KIMBERLEY, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 30th November 1893, No. 30, Financial.

With reference to the letter from the Chief Secretary to your Government, in the Judicial Department, dated the 10th of October, R. No. 1105, I desire to point out that, as Mr. A. C. S. West is stated to have been granted furlough, under Article 371 (a) of the Civil Service Regulations, on the report of a medical board, it was desirable that a copy of that report should be furnished to this office, as is required by Article 901 in the case of an officer proceeding on leave on medical certificate, and I request that I may be informed on what ground the return of the document in question is desired.

2. A copy of Mr. West's medical case is enclosed.

ORDER—dated 11th January 1894, No. 22, Public.

2. The medical cases of officers who are granted ordinary furlough, but who appear before a medical board to entitle them to the minimum leave allowances prescribed in Article 374, will in future be forwarded to the India Office.

2. The medical cases of Officers who are granted ordinary furlough but who appear before a Medical Board to entitle them to the minimum leave allowances provided in G.O. 374 will be treated as C.

it. In para 3 of his Despatch of the 17th November 1892 [page 2 of L.P. 7/13th June 1893, No 563 Fint] the Secy. of State asked that in all these cases the fact that leave not technically sick leave has been granted on the report of a medical board should be noted in the leave of pay certificate - this is done by the Act. Genl - nothing is said about the medical certificate. As however the Secy. of State appears to wish the medical cases of Officers granted leave under ^{the same} similar circumstances as Mr. West was, to be forwarded to the India Office there seems nothing more to be said and the papers may be recorded with a remark to the effect that these medical cases, like all others, should be sent home.

The Secy. of State asks, however, to be informed on what ground the return of the document was requested. The only ground was that already stated in para 2 of letter of 10. Oct. 1893 R. No 1105 - viz. that Mr. West was not granted leave on med. certificate but ordinary furlough.

Note.

For Order.

Mr. West was granted ordinary furlough under § 371 of the C.S.R. & not leave on medical certificate (§ 369). He appeared before a medical board to entitle him to the minimum leave allowances referred to in article 374, with reference to the Secy. of State's Despatch of 17. Nov. 1892, No 231 Fint (printed in L.P. 7/13th June 1893 No 563 Fint) & in accordance with para 2 of Mr. G. Noble's letter of 30. May 1893 [on page 2 of L.P. of 30th June 1893, No 618]. The Surgeon-General sent the medical case in as usual & it was despatched to the India Office. As § 901 of the C.S.R. refers to "Officers going to Europe on leave on medical certificate" & as it was thought that the receipt of Mr. West's medical case might cause some confusion in the India Office the Secy. of State was requested in letter of 10. 10. 93. R. No 1104 to return

TO HIS EXCELLENCY THE RIGHT HONOURABLE THE GOVERNOR
IN COUNCIL FORT ST. GEORGE.

My Lord,

With reference to the letter from the Chief Secretary to your Government in the Judicial Department, dated the 10th of October, R. No. 1105, I desire to point out that, as Mr. A. C. S. West is stated to have been granted furlough, under Article 371 (a) of the Civil Service Regulations, on the report of a Medical Board, it was desirable that a copy of that report should be furnished to this Office, as is required by Article 901 in the case of an officer proceeding on leave on medical certificate, and I request that I may be informed on what ground the return of the document in question is desired.

I have the honour to be,

My Lord,

Your Lordship's most obedient humble Servant,

NOTE FOR THE CHIEF SECRETARY.

The ~~Case~~ Office was, as will be seen from the entries on Jul. C. No 4208, sent on Mr. West's medical case to the India Office. The ~~Case~~ was not shown to me before being sent down to Madras, but the office followed the usual course in these cases. I don't think the ~~medl.~~ case should have gone to the Secy of State at all. These ~~medl.~~ cases are forwarded to the India Office with reference to §901. of the C. S. R. This article refers to leave on medical certificate. Mr. West's leave was ordinary furlough under §371 (a) of the C. S. R. not under §369. he went before a Medl Board with refce. to the instructions in G.O. of 21. July 1893. No 693. The mistake can be rectified by a letter to the Secy of State asking him to return the ~~medl.~~ case.
