APPENDIX B.

RULES for the supply of white liveries and warm clothing to the Peon establishment of the Secretariat.

1. All questions relating to the supply of white liveries and warm clothing to the Peon establishment of all departments of the Secretariat will, in future, be dealt with in the Public Department. The Chief Assistant, Public Department, will arrange for the supply of all clothing, and none — cloth or cotton — should be purchased except through him. Lists of clothing required should be forwarded to him in ample time to permit of the supply being arranged for by the date it is required.

2. Registers should be opened in each department in which all issues of clothing should be noted. This will enable early notice to be given when fresh supplies are required.

3. The number of peons supplied with white livery in the various departments of the Secretariat will be as follows :—

Chief Secretariat.

Hon'ble Members of Council	{ Chobdars	4
	{ Peons	10

Peons	::	::	::	::	::	::	::	::	6

These numbers shall not be increased without the special sanction of Government. The style of livery at present in use will be continued. Peons supplied with white liveries are called "dress" peons.

4. The head moochee of the Chief Secretariat will be supplied with white livery for wear when he attends at the residences of Hon'ble Members of Council and the Chief Secretary.

5. The supply of white livery shall be as follows :—

Articles.	Period of wear.
4 long jackets	4 seasons.
4 pairs of trousers	"
1 piece of muslin	"
1 cummerbund	"
1 puggree	"
1 belt	"
Will be renewed when rendered unserviceable by fair wear and tear.	

As the "dress" peons accompany the Government to the Hills, their white liveries will, in future, be required to last for four seasons, which will represent two years' actual wear.

If more convenient, two jackets and trousers may be issued biennially.

6. Clothing not in wear should be tied in bundles with the wearer's name attached and stored in tight-fitting (chest of) drawers with plenty of *vasamba*, &c., to keep them free from the attacks of insects. Camphor should not be used in a drawer in which gold lace is placed. The clothes should be periodically examined and aired.

7. Before leaving for the Hills "dress" peons will return all their livery to stored in the office. Similarly, on return from the Hills, all articles of warm clothing should be returned into store. By this means the clothing should be preserved and losses should be at once detected. Any damage which cannot be fairly attributed to ordinary wear and tear will, in the absence of satisfactory explanation, be made good at the expense of the individual concerned; deficiencies will be similarly replaced. Arrangements should be made in each department for necessary cleaning and repairs being carried out as soon as possible after the articles are returned into store. Chief Assistants in departments will see that this rule is strictly enforced.

8. The style of warm clothing at present in use will be continued. The distinctive colors of panels and the letters on them will be retained. The letters on the panels of all peons of the Chief Secretariat will, in future, be "C.S." instead of "J.D." or "P.D."

9. The Council dubash will wear his special uniform only when in attendance during meetings of Council and on other special occasions; he will be supplied with a less elaborate uniform for ordinary wear. The special uniform will be renewed only when absolutely necessary.

10. The following will be the scale of warm clothing for the peon establishments of all Secretariat departments :—

Articles.	Period of wear.
1 coat and trousers	2 seasons.
1 blanket	2 "
5 yards of flannel	1 season.
2 pairs of boots	3 seasons.
1 pair of socks	1 season.
1 umbrella	2 seasons.
1 turban	2 "
1 great-coat	6 "
1 waterproof cape	To be renewed when rendered unserviceable by fair wear and tear.

Boots made by the Jail department will be supplied in future. They are much stronger and better made than the common bazaar boots at present issued.

11. Moochees, attenders and mateys will be supplied with a suit of blue cloth instead of red, to last two seasons. They will not receive turbans but will be given umbrellas.

12. The sale of any article of uniform or clothing issued at the expense of Government is absolutely prohibited. Any one infringing this rule will be severely dealt with. Suits of warm clothing which have been in use for the period allowed by the rules may be used by peons on the Hills when not on duty.

GOVERNMENT OF MADRAS.

• PUBLIC DEPARTMENT.

READ—again the following paper :—

G.O., dated 13th June 1890, No. 429, Financial.

Read—the following Resolution of the Government of India, Finance and Commerce Department (Salaries, Establishments, &c.—Liveries), dated Simla, the 23rd May 1890, No. 2544 :—

In the Resolution of the Government of India, in the Finance Department, No. 618, dated 28th January 1874, rules were laid down regarding the supply of liveries to messengers employed in Government offices. The offices of which the messengers should be entitled to liveries, the frequency with which liveries could be supplied, and the limit of cost of liveries, were stated in those rules. The Governor-General in Council has now decided that it is expedient to entrust to Local Governments discretion to lay down rules regarding the supply of liveries the cost of which is Provincial on the understanding that the several Local Governments will, by the orders they issue on the subject, effectually prevent the occurrence of any abuses such as the rules hitherto enforced by the Government of India were designed to prevent.

2. Accordingly, the Governor-General in Council has decided that the rules in the resolution quoted above and subsequent amending or explanatory orders shall no longer apply to liveries the cost of which is Provincial. Each Local Government should issue rules (1) naming the offices the messengers of which may be supplied with liveries; (2) stating the frequency with which each messenger of those offices may be supplied with liveries; and (3) laying down maximum limits for the cost of each livery. The rules should require the officers who are allowed to supply liveries to their messengers to show the total charges on account of each livery, or each set of liveries, in a form which will enable the Account office to check the expenditure, and to see that the rules laid down are duly observed.

3. The rules on the subject hitherto in force generally will continue to apply to the supply of liveries in offices the cost of which is Imperial. But if it is considered that any Imperial offices in any province should be in this matter subject to the rules prescribed by the Local Government for Provincial offices, a representation should be made by the Local Government stating the rules issued by it, and the Imperial offices to which it is proposed to extend them.

Order—

Ordered, that this Resolution be communicated to all Local Governments and Administrations, and to all Accountants-General and Comptrollers.

SIR,

With reference to G. O. dated 25th October 1892. No 735 Public, I have the honor to state for your information that no livery for wear either on the hills or in the plains has been supplied at the expense of the State to any portion of the menial establishment of my office. I would however take this opportunity to bring to the notice of Government the necessity there is for the supply of clothing to my office peons.

2. The staff of peons sanctioned for my office consists of 5 men - 1 on Rs 8, and the rest on Rs 7 each per mensem. Two of these peons have to go on tour, one with the Sanitary Commissioner and ~~the~~ one with the Dy. Sanitary Commissioner. As the salaries allowed to these men are very small, they can hardly be expected to provide themselves with liveries, nor would it be an equitable procedure to resort to coercion in this matter. Moreover, the wear and tear of clothing consequent upon constant travelling is

is very great. It is therefore very desirable that all the peons of my office should be supplied with liveries.

3. As regards liveries for the hills, I would suggest that they be supplied only to two peons - one for each of the peons accompanying the Sanitary Commissioner and the Deputy Sanitary Commissioner. As these men have at any season to go to any part of the Presidency, it is very necessary that they should have warm clothing.

4. In this connection I may add that when touring on the hills, the Sanitary Commissioner and his Deputy have either to provide their peons with warm clothing at their own expense or conduct the inspection work without the services of peons.

5. In the circumstances set forth above, I request that Government will be pleased to accord sanction to the above proposals as a special case.

REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

The following
 Read again f.O. dated 15th December

1892 No. 2625-R. on the following letter from the Superin-
 tendent, Government Central Museum. Madras dated
 22nd November 1892, No. 1084:

In obedience to G.O. Revenue
 Department No. 4866 of 7th November 1892 Communicating
 Public f.O. No. 735 dated 25th October 1892 on the subject
 of Liveries supplied at the expense of the State to
 the Menial servants on the establishment I have
 the honor to report as follows:

2. In December 1891 a trial was made of
 supplying uniform to the humals of the
 Government Central Museum as it was highly
 desirable that these men who guard the
 galleries should be distinguishable from the
 visitors, which was hitherto not the case
 The system of giving them uniforms was found
 to be very satisfactory and to work well
 and with your sanction it will be
 continued.

3. Regarding the issue of the uniforms
 the rules in force in the Forest Department
 were followed only the uniform was made
 simpler. The Forest Department Rules
 allow one fresh suit once a year, the
 old suits becoming the property of the

wearers. As authority for the issue of these uniforms I have the honor to refer to G.O. Military Department no: 2196 of 25th March 1890 received with Revenue G.O. dated 14th April 1890, no 2272 directing heads of Departments to make their own arrangements for the purchase and supply of clothing to servants.

4. The uniform consists of a red turban and a kakhi coat with brass buttons and the cost of this outfit amounts to Rupees three and annas ten (Rupees. 3-10-0) for each new suit.

5. The number of persons supplied with uniforms is as follows.

14. Humals. Watchmen of Museum Galleries

1. Chickledas

1. Office Peon

Acting sometimes as watchmen.

4. Out-door watchmen (Pensioned Police)

Total 20.

Order:

As the Military G.O. quoted by the Superintendent does not authorise the supply of uniforms to Menial servants, he is requested to state whether the Museum servants were being supplied with clothing by the Army Clothing

Clothing Department before the issue of the G.O. above referred to and whether any provision is made in the Superintendent's budget on account of this expenditure

Read also the following letter from the Superintendent, Government Central Museum, Madras dated 14th January 1893 No 54:

In obedience to G.O. Revenue Department No 2625 dated 15th December 1892, I have the honor to state that the Museum servants were not supplied with clothing by the Army Clothing Department. The clothing was procured by local purchases and the expenditure amounted to Rupees Three and annas ten for the plain uniforms. No special provision has been made in the budget for 1893-94 but it is understood that the expenditure for uniforms would suitably come under the heading of Fittings and furniture.

I have the honor to ask sanction for supplying during the coming budget year (1893-94) 2 sets of uniforms to the guarding establishment. The aggregate cost of two sets of uniforms for the year will be Rupees one hundred and fifty (150).

Order

Order thereon, 2^d Jan'y 1893, No: 145 R.

Transferred to the

Public Department.

2. The question raised in para 2 of the second paper read above will be considered on receipt of final orders from the Public Department on the general question of the supply of peon's clothing at the expense of the State.

I have the honor to request the permission of the Surgeon-General to allow the ward servants of this institution to be dressed in uniform clothing after the manner of the servants in the General Hospital.

At present the ward servants clothe themselves in any way they please, and it is a matter of great difficulty to keep them neatly and decently clothed.

I would suggest that they be supplied with 2 coats and 2 turbans once a year in the same way as the servants of the General Hospital are supplied.

I have obtained an estimate from a tailor and find that it would cost about 65 rupees to supply the necessary clothing, which amount can easily be obtained from the surplus of the budget allotment for the current year.

SIR,

With reference to G. O. no: 735 Public dated the 25th October 1892, I have the honor to report for the information of Government that except the menial servants at the General Hospital, no men of any other Hospital or Office in this Department are supplied with liveries at the expense of the State

2. A copy of the Statement submitted by the Senior Medical Officer General Hospital and of his covering memo giving the information required by Government, is herewith enclosed.

3 I have since received a letter from the Superintendent Ophthalmic Hospital requesting that the ward servants of that Institution may be allowed

allowed to be dressed in uniform clothing after the manner of the servants in the General Hospital. I forward his letter for the orders of Government with special reference to para 4.

4. In connection with Surgeon Major Pope's application, I think it advisable that the ward attendants and peons of all the Presidency Hospitals, and the peons attached to the Offices of the Presidency District Surgeons and to this Office also, should be provided with a livery at Government expense say once a year, as their rate of pay prevents their constantly appearing in clothes befitting Government servants.

To

THE

SIR,

Enclosure.

I have the honour to submit the following reply to G.O. 25th October 1892, No. 735 Public.

2. The subordinates belonging to and connected with this Department belong to three classes, viz. the Warder Establishment of District and Central Jails, the Warder-
Peons, attached to Subsidiary Jails and the Peons belonging to my office.

3. The Warder Establishment of District and Central Jails are furnished with uniform under rules which it seems unnecessary to detail here, as Warders are not menials and are doubtless not referred to in the G.O. under reply. The grant of uniform

uniform to Warders has recently been approved by the Government of India in para 17 of Home Department ^{Resolutions} No. 10 Tails. 610-623, dated 9: November 1892.

4. The Warder Peons of Subsidiary Tails are generally Revenue taluq peons deputed to do sub Tail work. The other establishments of Sub Tails are scavengers. All District Magistrates report that no liveries are supplied at the public expense to any Sub Tail Establishment except in the following cases, viz:-

(1) Under G.O. 22nd August 1891, No. 1681, a biennial supply of 2 suits of warm clothing costing Rs. 13-7-6 are given to the Warder Peon of the Sub Tail Kodakanal.

(2) It has been the practice, since the abolition of the District and European Tails, Odasamand, to supply the three Warders employed at the Sub-Tail there with 2 suits of blue Cavalry cloth, 2 pairs of boots and a puggree annually. There seems to be no authority for the issue of this clothing, and on this ground I have recently declined to sanction any fresh

issue. Moreover blue cavalry cloth is no longer available in the Tails and the issue of 2 suits per annum was excessive.

5. The Peons belonging to my office are four in number, and under G.O. 16th February 1875, No. 349 and 12th May 1881 No. 945, each of them is supplied with a single suit annually at a maximum cost of Rs. 12 per annum each. The Muchi attached to the menial Establishment of this office is not included in the above sanction, but as warm clothing is needed for him as much as for the Peons, I request that the Government may be pleased to sanction a like issue at a similar maximum cost to him in future.

I have the honor to be,
Sir,

from the Superintendent Ophthalmic Hospital requesting that the ward servants of that Institution may be allowed to be dressed in uniform clothing after the manner of the servants in the General Hospital I forward his letter for the orders of Government with special reference to para 4.

4. In connection with Surgeon Major Pope's application I think it advisable that the ward attendants and peons of all the Presidency Hospitals and the peons attached to the offices of the Presidency District Surgeons and to this office also should be provided with livery at Government including expense, say once a year, as their rate of pay prevents their constantly appearing in clothes befitting Government servants.

Vide Board's Reference order dated 26 July 1892 on Forest No. 1761. In reply to this, the conservator of the central circle recommended, in Forest No. 2129 of 1892, an annual expenditure of Rs 50 for supply of blankets and warm clothing to one Duffadar and 3 out of 6 pems allowed him and not to 5 pems as here given.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—replies of Collectors and Conservators of Forests to Board's Proceedings, dated 21st November 1892, No. 667, regarding the supply of liveries made at the expense of the State to menial servants employed on the Revenue establishments in the Presidency.

RESOLUTION—dated 7th April 1893, No. 163.

In Government Order, dated 25th October 1892, No. 735, Public, communicated with Government Order, dated 7th November 1892, No. 4866, Revenue Department, Government called for certain information regarding the supply of liveries made at State expense to messengers employed on the Revenue establishments in the Presidency. The Government Order was communicated to Collectors and Conservators in Board's Proceedings, dated 21st November 1892, No. 667, and the letters read above are their replies.

2. All Collectors, except those of Madura, Salem, Nilgiris and Malabar, report that no liveries are supplied at the expense of the State to the menial servants employed on the Revenue establishments in their districts. The information furnished by the Collectors of Madura, Salem, Nilgiris and Malabar, and by the Conservators of Forests, as also that relating to the supply made to the peons in the Board's office, is embodied in the accompanying statement. The Collectors of Kurnool and Tinnevely give information regarding the cost of belts and badges supplied to the peons employed in their districts. As belts and badges are not to be included in the term "livery," in accordance with the Government of India letter, dated 31st March 1874, No. 2145, communicated in Government Order, dated 13th April 1874, No. 419-A, Public, they are omitted from the statement. The Collector of Vizagapatam forwards a statement showing the cost of warm clothing supplied to certain establishments employed in the Agency tracts, under the authority conveyed in Government Order, dated 7th September 1892, No. 1667, Judicial. The Collector of Ganjam reports that an allowance for warm clothing is made for Agency servants with reference to the Government Order just quoted. This Government Order authorizes the grant of warm clothing to the establishments employed in the Agency tracts of Ganjam, Vizagapatam and Godavari. The Collector of Godavari makes no mention of the Agency servants. As Agency servants are not under the control of the Board, the information furnished by the Collector of Vizagapatam has been excluded from the statement.

3. In the statement received from the Conservator of Forests, Central Circle, Mr. Popert says that liveries are supplied to all Forest guards and to those peons who accompany District Forest-officers and Sub-Assistants. He does not give the actual number of these servants. The Board has supplied the information from the statements printed in Board's Proceedings, dated 27th November 1891, No. 501, and 3rd November 1888, No. 3296, disposed of in Government Orders, dated 25th January 1892, No. 88, and 5th December 1883, No. 1519.

4. The Conservator of Forests, Northern Circle, does not refer to the providing of liveries for Forest guards, but merely says that warm clothing is to be supplied later on to certain of those on the office establishment as proposed in his letter, dated 20th

October 1892, No. 500-C. In this letter, Mr. Hooper recommends the grant of warm clothing at increased cost to all the peons of his office, including the three new hands sanctioned in Government Order, dated 27th October 1891, No. 1017, Revenue Department, paragraph 15. The details required are the cost, &c., of livery as supplied under the existing orders to the menial servants employed in the department. This information has been obtained from Government Orders, dated 20th October 1891, No. 994, and 14th September 1883, No. 1129.

5. The Conservator of Forests, Southern Circle, furnishes information regarding the cost, &c., of warm clothing supplied to the peons employed in his own office, but says nothing about the supply made to Forest guards and District Forest-office peons. The necessary information has been gathered from the papers quoted in paragraphs 3 and 4 above.

& also File of Currents.

In the G.O. read above all heads of Departments under the Chief Secy were requested to state whether any liveries for wear on the hills or on the plains are supplied at the expense of the State to any portion of the menial establishments under their orders and if so to state the authority for the issue, of what it consists, the cost, the period of wear fixed and the number and description of servants to whom it is made. The Revenue, Public Works and Military Dep'ts were at the same time desired to furnish similar information in regard to establishments under their orders and the Secretariat Peon Establishments.

The currents read above are in reply and from these it will be seen that only the menial establishments of the offices enumerated in Column 1 of the annexed Statement are supplied with liveries at the cost of the State. The particulars called for as regards cost, period of wear fixed &c are also shown in the Statement, those for the Chief Secretariat being supplied in the office. A few simple rules are required particularly rising the establishments which may be supplied with liveries at the cost of the State, describing the liveries to be supplied and fixing the period.

The question whether a supply of white livery is necessary is submitted for this year of a full supply of red warm clothing. The suit has already been substituted by the Moochee on the Hills and a supply is thereby effected.

I think that it is not desirable to make any change. I think that the Moochee when he attends the house of Members of Council should wear livery.

I had the Moochee who came to the hills put into blue as being left exposed. I don't think that he need wear red. All Moochees coming to the hills should wear blue.

the expenditure to the contingent
is quite irregular. It has, how-

wear them. I have been looking into
the subject of white clothing & I think
that he would like to have it done
he made to last much longer than
it has hitherto done. Every man has
now to put in his white clothing & put
the back. He has before going to the hills
the best of his own. He himself with the
results that on his return there is nothing

I propose to see what the just depth
can do as regards blankets. The
J. G. tells me that he is now
turning out blankets which are
much approved by the military
authorities. As regards great coats
they might be obtained up north
I bought an excellent one for Rs. 6
here which I certainly want and
which is far better than what
the peons get here.

Chief Secretariat — Warm clothing — cont.	1	Duffadar (Office)..	1 blanket ..	Rs. A. P. 2 14 0	2		As regards warm clothing, the whole of the menial establishments accompanying the Government to the Hills must be supplied. It is, however, suggested for orders whether there is any need for continuing the present expensive style of uniform. It is believed that red cloth coats are more than blue and shows sign of wear quicker. The panels, crowns and distinguishing letters all add to the present cost and it is a question whether there is any necessity for continuing these marks of distinction. They might be done away with and the ordinary brass badges, which are now worn only at Madras substituted. They could be fastened to the left breast of the coat by means of a couple of holes in the same way as they are affixed to the cross-belts worn on the plains. A waist belt is essential on the Hills and looks neater than a cross-belt. At present the Council Dubash wears his highly ornamental and very costly uniform throughout the week. If its continuance is decided on it is submitted he should wear it only on Council days and that he should have an ordinary uniform with a distinguishing brass badge for all other occasions. The good suit should then last for at least 5 years.	I agree with C.S. throughout as to the reasoning I think all departments should be treated alike, and thus the supply of liveries should be under one department. The Chief Assistant to C.S. Office might look after the whole thing. I think the present livery for peons is very suitable & I would maintain the distinctive colorings kept.

The number of peons seems open to reduction.
The Land Revenue Department with 2 Mem-
bers and Secretary has only 10 dress peons.

The number of dress peons might be reduced.
There is hence the increase over the
partments Settlement Department. The
number of liveries supplied to the Jemadar
cost of which should be reduced to Rs. 40 as in
and Duffadar other departments. They are
the cases of other departments.

The cumblies ought to last for 2
years. They would up the last
year. The number of
Peons supplied with warm clothing is very
large. However, they all have hill forest
travelling. I do, warm clothing is no doubt
necessary. There also cumblies are required to

case appears to be irregular continued with the exception for the Peons who accompany it on tour.

nt.

The supply case is unauthorized and has been made for sanction only. The Superintendent and watchmen should perhaps be supplied with a distinctive coat and turband, but they appear to be necessary for the other servants.

These are uniforms and do not apparently come within the scope of the present enquiry.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

ORDER—dated ~~December~~ 1893, No. , Public.

In paragraph 2 of G.O., dated 13th June 1890, No. 429, Financial, it was stated that rules for the supply of liveries to the peons of the Secretariat Departments would be drawn up. From various causes this has not hitherto been accomplished, but in G.O., dated 25th October 1892, No. 735, Public, Departments of the Secretariat and Heads of Departments under the Chief Secretary to Government were requested to supply information in regard to liveries supplied to menial establishments. The substance of the replies has been tabulated, and is printed as Appendix A * to these proceedings. Rules to govern the supply of liveries to peons of the Secretariat Departments have now been drafted and will be found in Appendix B. They will be communicated to all Departments of the Secretariat for information and guidance.

* Any errors should be brought to notice.

2. The Sanitary Engineer requests permission to provide two peons and two lascars with warm clothing biennially and all the peons in his office with white liveries. It must be distinctly understood that the supply of white liveries is restricted to a few selected peons in the Secretariat. All other peons are required to clothe themselves decently while on duty, and a similar condition should be imposed in all subordinate offices. The Sanitary Engineer may in future supply warm clothing biennially to one peon and one lascar.

3. The remarks above in regard to white liveries apply also to the application of the Inspector-General of Registration. The cumblies supplied to peons of the Registration Department will in future be supplied biennially instead of annually. ~~The supply of uniform to the chowdry and brackmen under the Commissioner of Police appears to be unnecessary and should be discontinued. The supply of turbans to the 95th of Deputy~~

4. The sanction accorded in G.O., dated 15th April 1890, No. 286, to clothing for servants employed at the General Hospital requires revision. It is desirable that all in-door servants and gate-peons should be uniformly and distinctly clothed, but the same necessity does not exist in the case of stokers, butchers, gardeners, bricklayers and other out-door servants. The Surgeon-General will submit a report on the subject embracing all Government hospitals at the Presidency Town. That officer's recommendation for the supply of clothing to the peons attached to his office and the offices of District Surgeons cannot be entertained. The request of the Inspector-General of Jails for warm clothing for his moochee is sanctioned.

5. The number of peons employed at the High Court who are supplied with clothing is very large. The Honorable the Judges will be requested to furnish details as to cost of clothing and the duties of the recipients. In the case of the Sub-Judge at Ootacamund no details as to the number of servants clothed have been given. The Judicial Department will be requested to obtain the foregoing particulars.

*A. Sanitary Engineer
with this. The man

books should be clothed

much as our brackmen &

APPENDIX B.

RULES for the supply of white liveries and warm clothing to the Peon establishment of the Secretariat.

1. All questions relating to the supply of white liveries and warm clothing to the Peon establishment of all departments of the Secretariat will, in future, be dealt with in the Public Department. The Chief Assistant, Public Department, will arrange for the supply of all clothing and none — cloth or cotton — should be purchased except through him. Lists of clothing required should be forwarded to him in ample time to permit of the supply being arranged for by the date it is required.

2. Registers should be opened in each department in which all issues of clothing should be noted. This will enable early notice to be given when fresh supplies are required.

3. The number of peons supplied with white livery in the various departments of the Secretariat will be as follows:—

4. The head moochees of the Chief Secretariat will be supplied with white livery for wear when he attends at the residences of Hon'ble Members of Council and the Chief Secretary.

5. The supply of white livery shall be as follows:—

Articles.	Period of wear.
4 long jackets ..	4 seasons.
4 pairs of trousers ..	"
1 piece of muslin ..	"
1 cummerbund ..	"
1 paggre ..	"

1 belt .. will be renewed when rendered unserviceable by fair wear and tear.

As the "dress" peons accompany the Government to the Hills, their white liveries will, in future, be required to last for four seasons, which will represent two years' actual wear.

If more convenient two jackets and trousers may be issued biennially.

6. A large almirah divided into compartments will be maintained in each department of the Secretariat. A compartment should be allotted to each peon who receives either white livery or warm clothing and his name should be placed over it.

Before leaving for the Hills, "dress" peons will return all their livery to be stored in the office. Similarly, on return from the Hills, all articles of warm clothing should be returned into store. By this means the clothing should be preserved and losses should be at once detected. Any damage which cannot be fairly attributed to ordinary wear and tear will, in the absence of satisfactory explanation, be made good at the expense of the individual concerned; deficiencies will be similarly replaced. Arrangements should be made in each department for necessary cleaning and minor repairs being carried out as soon as possible after the articles are returned into store. Chief Assistants in departments will see that this rule is strictly enforced.

7. The style of warm clothing at present in use will be continued. The distinctive colors of panels and the letters on them will be retained. The letters on the panels of all peons of the Chief Secretariat will, in future, be "C.S." instead of "J.D." or "P.D."

8. The Council dubash will wear his special uniform only when in attendance during meetings of Council and on other special occasions; he will be supplied with

6. Clothing not in wear should be tied in bundles with the wearer's name attached and stored in tight fitting (cheese) drawers with plenty of sawdust or to keep them free from the attack of insects. Camphor should not be used in a drawer in which cold lace is placed. The clothes should be periodically examined & aired.

Peons have charge of their own warm (white) clothing with responsibility for destruction of powder & kept in almirah drawers during the cold weather. It should be in tight fitting drawers with plenty of sawdust. Camphor is banned, but it is useful to turn over the bundle.

a less elaborate uniform for ordinary wear. The special uniform will be renewed only when absolutely necessary.

9. The following will be the scale of warm clothing for the peon establishments of all Secretariat departments:—

Articles.	Period of wear.
1 coat and trousers ..	2 seasons.
1 blanket ..	2 "
4 yards of flannel ..	1 season.
1 pair of boots ..	2 seasons.
1 pair of socks ..	1 season.
1 umbrella ..	2 seasons.
1 turban ..	2 "

Boots made by the Jail department will be supplied in future. As they are much stronger and better made than the common bazaar boots at present issued, they will be required to last two seasons.

10. Moochees, attenders and mateys will be supplied with a suit of blue cloth instead of red, to last two seasons. They will not receive turbans but will be given umbrellas.

11. The sale of any article of uniform or clothing issued at the expense of Government is absolutely prohibited. Any one infringing this rule will be severely dealt with. Worn-out suits of warm clothing should be used by peons on the Hills when not on duty.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

ORDER—dated 13TH JANUARY 1895 No. 26, Public.

In paragraph 2 of G.O., dated 13th June 1890, No. 429, Financial, it was stated that rules for the supply of liveries to the peons of the Secretariat Departments would be drawn up. From various causes this has not hitherto been accomplished, but in G.O., dated 25th October 1892, No. 735, Public, Departments of the Secretariat and Heads of Departments under the Chief Secretary to Government were requested to supply information in regard to liveries supplied to menial establishments. The substance of the replies has been tabulated, and is printed as Appendix A* to these proceedings. Rules to govern the supply of liveries to peons of the Secretariat Departments have now been drafted and will be found in Appendix B. They will be communicated to all Departments of the Secretariat for information and guidance.

* Any errors should be brought to notice.

supply of liveries to peons of the Secretariat Departments have now been drafted and will be found in Appendix B. They will be communicated to all Departments of the Secretariat for information and guidance.

2. The Sanitary Engineer requests permission to provide two peons and two lascars with warm clothing biennially and all the peons in his office with white liveries. It must be distinctly understood that the supply of white liveries is restricted to a few selected peons in the Secretariat. All other peons are required to clothe themselves decently while on duty, and a similar condition should be imposed in all subordinate offices. The Sanitary Engineer may in future supply warm clothing biennially to one peon and one lascar.

3. The remarks above in regard to white liveries apply also to the application of the Inspector-General of Registration. The cumblies supplied to peons of the Registration Department will in future be supplied biennially instead of annually. The supply of turbans to the establishments of Deputy Tahsildars and to the peons at the Government Cinchona office and Herbarium must be discontinued.

4. The sanction accorded in G.O., dated 15th April 1890, No. 286, to clothing for servants employed at the General Hospital requires revision. It is desirable that all in-door servants and gate-peons should be uniformly and distinctly clothed, but the same necessity does not exist in the case of stokers, butchers, gardeners, bricklayers and other out-door servants. The Surgeon-General will submit a report on the subject embracing all Government hospitals at the Presidency Town. That officer's recommendation for the supply of clothing to the peons attached to his office and the offices of District Surgeons cannot be entertained. The request of the Inspector-General of Jails for warm clothing for his moochee is sanctioned.

5. The number of peons employed at the High Court who are supplied with clothing is very large. The Honorable the Judges will be requested to furnish details as to cost of clothing and the duties of the recipients. In the case of the Sub-Judge at Ootacamund no details as to the number of servants clothed have been given. The Judicial Department will be requested to obtain the foregoing particulars

The accompanying draft which is based upon Order 1/110 is submitted to the Hon. Secy. for consideration. It is submitted to the Hon. Secy. for consideration. It is submitted to the Hon. Secy. for consideration.

6. The number of peons employed in the offices of the Board of Revenue who receive white liveries also appears to be large. Details of their duties will be furnished by the Board with remarks as to a possible reduction in their number. It is observed that the liveries of the jemadar and duffadar in the Separate Revenue Department cost Rs. 60 each, whereas in other similar cases Rs. 40 is sufficient. The excessive expenditure should be curtailed. It is now possible to obtain in Madras sets of livery for duffadars and peons, including the necessary gold lace and braid, at Rs. 38 and Rs. 18, respectively, and these figures should not be exceeded in future.

- Four long jackets.
- Four trousers.
- One piece of muslin.
- One cummerbund.
- One puggree.

7. The Assistant Commissioner of Salt and Abkari Revenue stationed at Erode is allowed four peons who receive clothing at Rs. 20 per head per annum. The period of wear will be extended to two years, and in the absence of explanation as to the necessity for four peons being supplied with clothing that number will be reduced to two, which is found sufficient for the Director of Public Instruction, the Inspector-General of Registration and the Sanitary Engineer. The charges incurred by the Deputy Tahsildars at Ootacamund, Yercaud and Kodaikanal vary considerably for the same description of clothing. There is no apparent reason why this should be so. In future, the maximum charge admissible for attenders, peons, &c., at hill stations will be Rs. 12 in each case. That is the amount expended in the Wynad and by the Inspector-General of Jails, and must therefore be ample. In all cases in which cumblers are supplied at the cost of the State, they should be issued biennially. Attenders should not be supplied with turbans.

8. The supply of liveries by the Superintendent, Revenue Survey, to his peons is irregular and must be discontinued, with the exception of the men who accompany the Superintendent on tour. They may be supplied with a set of warm clothing biennially. The cost of the clothing supplied to the peons employed in the Government Gardens, Cinchona Office and Herbarium at Ootacamund, and at Sim's Park, Coonoor, must be reduced to Rs. 12 all round.

APPENDIX B.

RULES for the supply of white liveries and warm clothing to the Peon establishment of the Secretariat.

1. All questions relating to the supply of white liveries and warm clothing to the Peon establishment of all departments of the Secretariat will, in future, be dealt with in the Public Department. The Chief Assistant, Public Department, will arrange for the supply of all clothing, and none — cloth or cotton — should be purchased except through him. Lists of clothing required should be forwarded to him in ample time to permit of the supply being arranged for by the date it is required.

2. Registers should be opened in each department in which all issues of clothing should be noted. This will enable early notice to be given when fresh supplies are required.

3. The number of peons supplied with white livery in the various departments of the Secretariat will be as follows :—

Chief Secretariat.

Hon'ble Members of Council.	{ Chobdars	..	4
	{ Peons	..	10
His Excellency the Commander-in-Chief.	{ Duffadar	..	1
	{ Peons	..	2
Council Chamber	.. Council dubash.	1	
	{ Duffadar	..	1
Office	{ Peons	..	12
	{ Moochee	..	1
Local and Municipal Department	.. Head peon	..	1

Revenue Secretariat.

Duffadar	..	..	..	..	1
Peons	..	..	..	..	9

Public Works Secretariat.

Duffadar	..	..	..	..	1
Peons	..	..	..	..	6

Military Secretariat.

Duffadar	..	..	..	..	1
Peons	..	..	..	..	6

These numbers shall not be increased without the special sanction of Government. The style of livery at present in use will be continued. Peons supplied with white liveries are called "dress" peons.

4. The head moochee of the Chief Secretariat will be supplied with white livery for wear when he attends at the residences of Hon'ble Members of Council and the Chief Secretary.

5. The supply of white livery shall be as follows:—

Articles.	Period of wear.
4 long jackets	4 seasons.
4 pairs of trousers	"
1 piece of muslin	"
1 cummerbund	"
1 puggree	"

1 belt .. { will be renewed when rendered unserviceable by fair wear and tear.

As the "dress" peons accompany the Government to the Hills, their white liveries will, in future, be required to last for four seasons, which will represent two years' actual wear.

If more convenient, two jackets and trousers may be issued biennially.

6. Clothing not in wear should be tied in bundles with the wearer's name attached and stored in tight-fitting (chest of) drawers with plenty of *vasamba*, &c., to keep them free from the attacks of insects. Camphor should not be used in a drawer in which gold lace is placed. The clothes should be periodically examined and aired.

7. Before leaving for the Hills "dress" peons will return all their livery to be stored in the office. Similarly, on return from the Hills, all articles of warm clothing should be returned into store. By this means the clothing should be preserved and losses should be at once detected. Any damage which cannot be fairly attributed to ordinary wear and tear will, in the absence of satisfactory explanation, be made good at the expense of the individual concerned; deficiencies will be similarly replaced. Arrangements should be made in each department for necessary cleaning and minor repairs being carried out as soon as possible after the articles are returned into store. Chief Assistants in departments will see that this rule is strictly enforced.

8. The style of warm clothing at present in use will be continued. The distinctive colors of panels and the letters on them will be retained. The letters on the panels of all peons of the Chief Secretariat will, in future, be "C.S." instead of "J.D." or "P.D."

9. The Council dubash will wear his

special uniform only when in attendance during meetings of Council and on special occasions; he will be supplied with a less elaborate uniform for ordinary wear. The special uniform will be renewed when absolutely necessary.

10. The following will be the scale of warm clothing for the peon establishment of all Secretariat departments:—

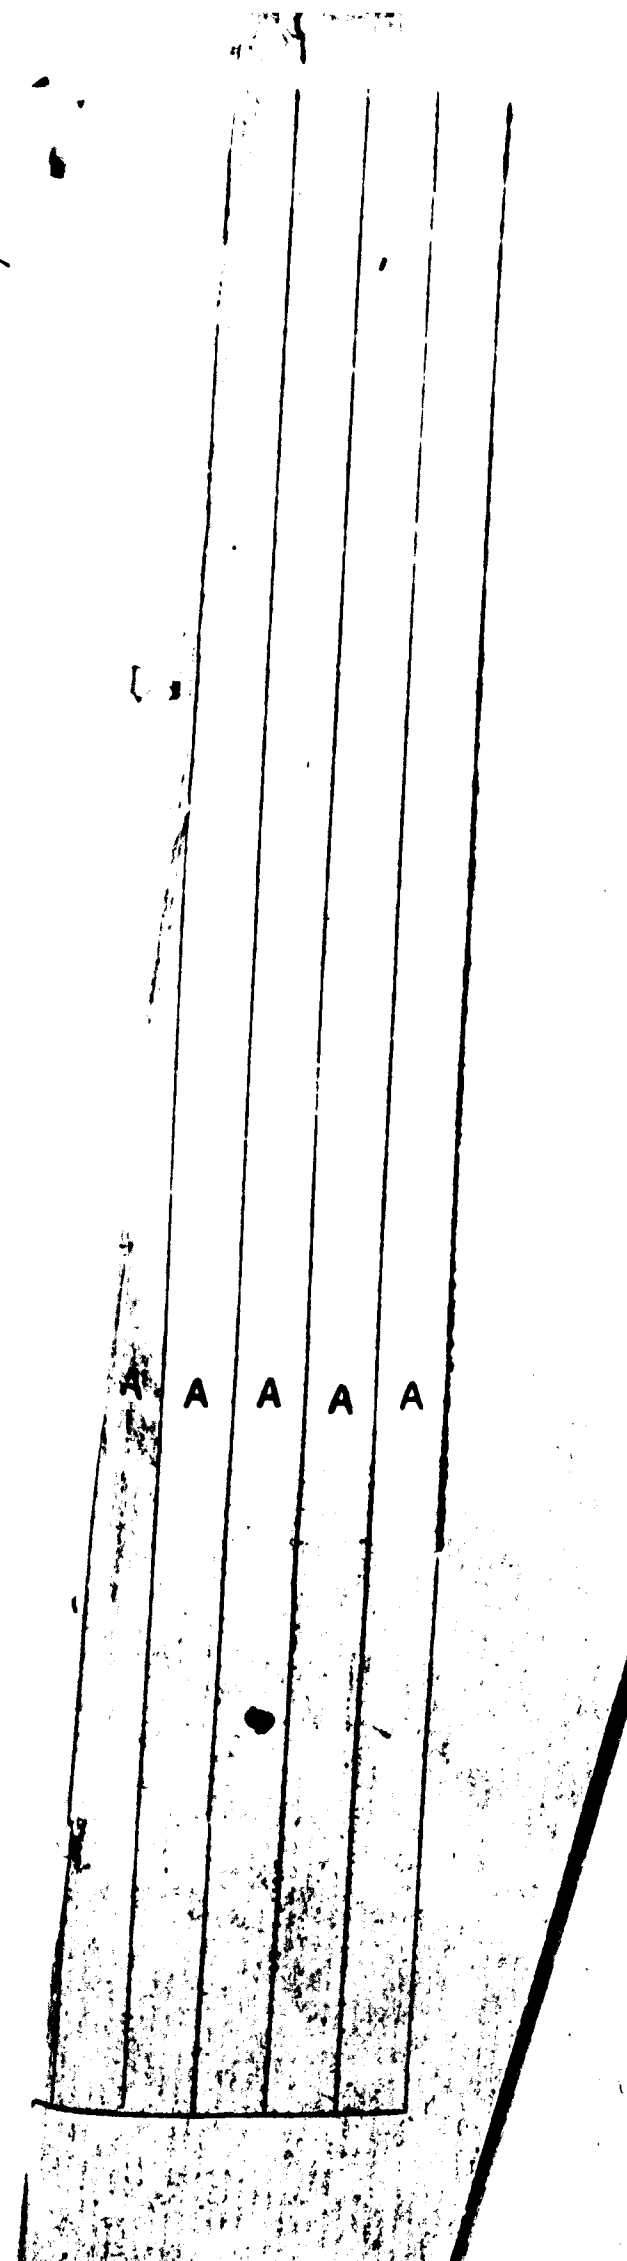

Articles.	Period of wear.
1 coat and trousers	2 seasons.
1 blanket	2 "
5 yards of flannel	1 season.
2 pairs of boots	3 seasons.
1 pair of socks	1 season.
1 umbrella	2 seasons.
1 turban	2 "
1 great-coat	6 "
1 waterproof cape	To be renewed when rendered unserviceable by fair wear and tear.

Boots made by the Jail department will be supplied in future. They are much stronger and better made than the common bazaar boots at present issued.

11. Moochees, attenders and mateys will be supplied with a suit of blue cloth instead of red, to last two seasons. They will not receive turbans but will be given umbrellas.

12. The sale of any article of uniform or clothing issued at the expense of Government is absolutely prohibited. Any one infringing this rule will be severely dealt with. Suits of warm clothing which have been in use for the period allowed by the rules may be used by peons on the Hills when not on duty.
