SIR,

With reference to Memo. No. 1077 Public Department of 29th May 1894, I have the honor to state that the water received for examination from the Deputy Commissioner Ellichpur was taken from the Bhis Tank, which it is reported was constructed as an additional source of water supply for the station (Chikaldra). The analyses are required to decide whether the water is potable and fit for supplying the station with.

I have the honor to be,

Sir,

ENCLOSURE.

Subject.

Requesting to be informed whether the services of the Chemical Examiner may be requisitioned by the Deputy Commissioner of Ellichpur district, Berar, or whether analytical work done on his behalf may be charged for.

Ans.

For orders. The Dy. Commr. of Ellichpur is a British officer, and, taking the ruling in G.O. dt 8. VII. 89, No. 586 as a guide, apparently, no charge should be made if the examⁿ was for Govt. It is sub^d that particulars of the requisition may be asked for.
