11TH JUNE 1894, No. 411, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

From the Surgeon-General with the Government of Madras, dated 11th and 30th May 1894, Nos. O-60 and 384.

ORDER—dated 11th June 1894, No. 411, Public.

Of the hospitals at the Presidency town, the following require no free issue of clothing to menial servants:—

Lying-in hospital.	Government House dispensary.
Women and Children's.	Voluntary Venereal hospital.
Port and Marine dispensary.	

At the General hospital only the in-door servants and the gate peons will receive clothing in future, the former at a cost of Rs. 7-4-0 *per annum* and the latter Rupees 5-2-0. A list of in-door servants should be submitted for approval. If there is any difficulty in distinguishing the out door servants from strangers on account of their want of uniform clothing, they may be provided with metal arm-badges, which will serve the purpose and last for many years. The ward attendants at the Ophthalmic hospital will receive clothing at the rate and on the scale sanctioned for men of their class at the General hospital; and the gatekeeper at the Leper hospital may be supplied with a khakee suit annually, to be worn when on duty.

2. Of the servants at the Lunatic Asylum recommended by the Superintendent for clothing, the Surgeon-General considers that only the native male and female attendants and the gate peon should receive uniform. The Government agrees with the Surgeon-General, but considers the rates* entered in the Superintendent's list to be much too high. The leather belt and brass plate supplied to the men must last a considerable time. A further report as to possible reductions in cost will be awaited. It seems probable that two khakee suits a year should be ample.

			Per annum.	
	Es.	A.	P.	
Male attendants	11	12	0	
Female attendants	9	0	0	
Gate peon	8	0	0	

3. The Surgeon-General may supply warm clothing to two of his peons biennially at a cost not exceeding Rs. 15 each.

From

SURGEON MAJOR-GENERAL W. F. DEFABECK, M. P.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

*compilation
very satisfactory*

With reference to para 4 of G. O. No. 26 Public dated the 13th January 1894, I have the honor to state that the Govt. Hospitals at the Presidency Town are:-

- (1) General Hospital
- X (2) Lying-in Hospital
- (3) Ophthalmic Hospital
- (4) Leprosy Hospital
- (5) Women and Children Hospital
- (6) Port and Marine Dispensary
- (7) Govt. House Dispensary
- (8) Voluntary Venereal Hospital
- (9) Lunatic Asylum

2. The Medical Officers in charge of nos 5, 6, and 7 require no clothing for any of their hospital servants. None is recommended by the Superintendent of No. 2 nor does he consider any necessary for

for that Hospital.

3/ The Superintendent of no: 3 recom-
mends that the Head Servant, 8 Ward
attendants, the Stone weighman, 3 Cooks,
3 Native Nurses, 3 Male toties, the stone
cleaning man, 3 Female toties and the
Sweeper should be provided with clothing.
I hardly consider that the stone servants,
cooks, toties &c. require any uniform
and recommend that only the ward
attendants and the native nurses may be
provided with uniform on the scale
allowed for the General Hospital.

4. The Medical Officers of nos: 4 & 9
propose that the peons attached to their
Hospitals should be supplied with
lineries - the necessity for this has
not been shown beyond the fact that
sometimes the Medical Officers are said
to be obliged to fine the peons for bad
clothing and they complain that their
pay is not sufficient for them to be
decently dressed - It will in my opinion
be quite sufficient if the Gatekeeper of
the Lepet Hospital gets suit.

5. As regards the
(nos: 1) the Senior Medical
all outdoor servants
in the same manner

Hospital
ates that
clothed
or servants
to

to distinguish Hospital servants from
strangers. They are said to be clothed with
the cheapest kind of khakee procured from
the Coimbatore Central Jail & the cost per
Annam per man being Rs 5, and sanction
is requested for the continuance of this
clothing to these menial servants all of
whom are reported to draw a very low
rate of pay and who would be quite un-
able to clothe themselves decently
without pecuniary assistance.

The reasons urged by the Medical
Officers are valid but the same consider-
ation holds good in respect of other
Hospitals and unless a general con-
cession is made to all Hospitals which
however in my opinion does not seem to
be called for, I don't see why any
exception should be made as regards
the General Hospital - especially
as it will lead to discontent amongst
other Hospital servants - I therefore
agree with Government that only
indoor servants and gate peons should
be clothed at the expense of Government.

A statement of the Annual issue of Cotton Linen to the General Menial & Servants of the General Hospital as now supplied is herewith enclosed for the information of Government.

6. The Superintendent of the
Asylum (9) has submitted the enclosed
list of Asylum servants who he proposes
should be supplied with clothing I recom-
mend that only the Native Male and
female attendants and the Gate-keeper
should be provided with uniform on
the scale in use in the General
Hospital.

7. I respectfully request that Govern-
ment will be pleased to reconsider their
decision regarding this office persons.
In case it is not considered desirable
to supply clothing to all, two of the persons
who attend on the Surgeon General at
his Office and accompany him on
his inspection tours may be provided
with dress at the cost
As the Director of the
the Inspector General
the Sanitary Engineer

Officers of other Departments have
allowed this indulgence (vide para 7
of the G. O. under report) it is hoped
that it will not be denied to the Surgeon
General with the Govt. of Madras.

I have the honor to be,
Sir,

Yours most obedt. servant
