D.O. No. 90  
Nanjundiah  
7th Feb. '94

My dear Mr. P.,

My application to the Government  
of India for permission to visit to duty  
under the Madras Government has gone  
in. As soon as I hear I shall let you  
know with effect from what date the  
permission will be granted.

Ranbhai has however heard semi-  
officially that it is probable that I shall  
not be allowed to visit until the close of  
the hot weather, or at any rate until I  
have been three years in the Department.  
I was confirmed on the 20th May 1891.

Yours sincerely  
Ranbhai.

My dear Sir,  
Your telegram re  
Michael of 7th inst. &  
my D.O. of the 8th.  
I have made enquiries  
regarding Michael and  
see no reason to doubt  
his being suitable for the  
Post. Dept.  
Would it suit the Madras  
Govt. equally well to make  
the transfer in Calcutta?  
I hope you will remember  
I hoped to be able to rejoin  
the regular being about  
April. And having  
failed in this he would

now himself prefer to  
wait till about October -  
This would suit me  
better too, as there is some  
special work I should  
like him to finish up  
before he goes - so I have  
telegraphed to the friends  
in India that the Miss  
Homeans appear suitable  
and asking them whether  
they have any objection  
to letting Harry wait  
till October. I suppose  
it would be all the  
same to Michael?

CHIEF SECRETARY  
3. APR. 1894  
GOVERNMENT OF MADRAS

N. 1577

18

Government of India.

Finance and Commerce Department.

Calcutta, the 30<sup>th</sup> March 1894.

To

The Chief Secretary to the  
Government of Madras.

Sir,

I am directed to address the Government of Madras  
on the subject of the employment of a Member of the Indian  
Civil Service on the Madras Establishment in the Enrolled  
List of the Financial Department.

2. It was the original intention of the constitution  
of the Account Department that in order to provide  
qualified successors for the principal appointments in the  
Department members of the Civil Service should be appointed  
to serve for a time in the "Enrolled List". But, as  
stated in the Despatch to the Secretary of State, No. 380,  
dated 16<sup>th</sup> November 1880, "it was never the intention that  
the enrolled covenanted officers should pass their whole  
life in the Department."

Practical difficulties however have prevented the  
execution of this intention. But the Government of India  
is anxious now to revert to it, and to remove the

28

difficulties alluded to, by making a definite arrangement upon a basis which will be accepted by the Local Government as convenient to it, as well as meeting the objects which the Government of India have in view.

I am therefore to lay the following proposals before the Government of Madras, for the filling of one of the posts in the Enrolled list of the Financial Deptt.

It is proposed that in future when members of the Indian Civil Service are taken for service in the Enrolled List, they should serve in that Department for a limited period not exceeding three years, after which they will return to the ordinary line of the service. The officers who have served in the Enrolled list in this manner will form the body among which the Government of India would ordinarily look for officers to whom to offer the appointments of Accountant General when these fall vacant.

3. The immediate object of addressing the Government of Madras in this matter is to obtain the services of another officer to replace Mr Morris who has signified his desire to return to the general line. The Government of India have no objection to Mr Morris' wishes being complied with and will be prepared to place his services at the disposal of the Government of Madras as soon as another member of the Indian Civil Service can be selected by the Government of Madras to

36

fill his place in the Account Department.

4. In accordance with the general plan sketched in paragraph 2 of this letter the following terms may be offered to the officer to be appointed.

(1) He will be appointed substantively in class IV of the Enrolled List on a pay of Rs. 800/- a month. If he be of at least 7 years' standing, he will for the present draw acting allowance on Rs. 1,250/-, and will probably always act in an appointment of at least Rs. 1,000/- a month. He may also obtain substantive promotion to higher grades after a time.

(2) He will in the first instance be posted to Madras and may not improbably remain there during the time of his service in the Financial Deptt.

(3) He will remain in the Enrolled List for a period not exceeding 3 years after which he will return to the ordinary line of the service in his Province, and will then be one of those whose claims to an appointment as Accountant General the Government of India will take into consideration when vacancies occur.

5. I am to enquire whether these proposals commend themselves to the Government of Madras, and, if so, to request that an officer may be selected and his name submitted to the Government of India.

in reply to this letter.

I have the honor to be,  
Sir,

Your most obedient servant,

Stephen Jacob

Offg. Secretary to the Govt of India.
