Cumulative Saluk office is delayed
so the question has to be referred
to the District Surgeon and there
is no such officer in the district
at present. The Collector's letter
will be submitted to Government
for such orders as it may con-
sider necessary.

Order thereon 22nd June 1894 No 2457

Recorded.

Orders will issue in the Public
to the Department on para 8 of the
said Proceedings read alone.

The Collector's representation
to the District is now that a
District Surgeon will be considered
by Public Department (vide also

for the Govt.

the Collectors' and the two other Deputy Collectors' offices.

8. In this connection the Collector brings to notice that suitable office accommodation is an urgent necessity in the district and requests that the fact may be impressed on the officers of the D. P. W. He remarks that the construction of a Taluk office at Patti Konda has been sanctioned by Government, but has not yet been commenced. That the progress made in the construction of a Taluk office at Illagadda in Simul Taluk which was sanctioned in G. O. dated 12 December 1892 No. 340 is slow, and that the Kailas Taluk Cutchery which was recently repaired vide G. O. 2nd May 1893, No. 1186 W. is again a dangerous state. He also states that the construction of a Taluk office for

those of the Government requires. The Surgeon General has been more than once addressed on the subject but without avail. This question is an urgent and important one because Taluk work suffers greatly owing to frequent changes and unsuitable accommodation.

Resolution.

7. The Record rooms in the Collectors' office, in the Cumbum and Seapalli Dy Collectors' offices and in some Taluk offices are not sufficiently commodious or are otherwise defective, and the Head quarter Dy Collector has no separate Record-room. The Cumbum Deputy Collector is to have a new office in which a suitable Record-room will be provided, and the improvements to the Collectors' office building sanctioned in G. O. dated 5 May 1894 No. 1796 Rev. will when carried out provide the required accommodation for the records of the

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Magistrates offices.

The records are most confused
 in Curram Salay. This is due to the
 frequent changes of the office from
 one place to another and the un-
 suitability of the accommodation
 both in Inimlapak and Giddalur.
 The question of the best locality
 for the head quarters is still
 undecided and Government has
 called for a report in S.O. No 92,
 dated 30 Feb 1894 communicated
 with B.S. N^o 762 Ins dated 15-2-94,
 which is delayed as there is no
 District Surgeon in the District.
