CHEMICAL EXAMINER,

Madras,

To

THE

Chief Secretary.

SIR,

to the Government of Madras
Public Department
Colacannu

With reference to G.O. No. 412 dated 11th June 1894 (Public), I have the honor to ask respectfully that early relief may be granted in the way of an extra assistant for medico-legal work. I find it impossible to cope with the work on hand in anything like a satisfactory way or in proper time to allow of judicial enquiries, which are postponed pending receipt of my certificates, proceeding in the ordinary course. Now that

the Courts have reopened I am again
pursued on all sides with requests for
speedy reports upon analyses and the
work cannot be accomplished without
imposing delays and consequent prolongation
of imprisonment of under trial prisoners.

I have on hand just now 13
Medico-legal cases, involving separate
examination of 84 articles, and con-
miscellaneous work of ^{various} sorts awaiting
analyses; already some of these —
Medico-legal cases have been nearly
one month on hand — and their
examination is as yet unfinished.
There is daily addition of work,
and to surmount the accumulation under
existing circumstances is hopeless.

I beg therefore that Government
may be pleased to sanction as a
temporary measure the appointment
of an extra Assistant Chemical Examiner
until final orders can be passed.

In this case it will be advisable
to at once select the Candidate who
would be appointed to the permanent
post and to let him get his training
here while final orders are being
held in abeyance.

I have the honor to be,
Sir,

Your most obedient servant

W. Vaughan.

The H.M. inquires whether a yearly statement will not be sufficient.

India asked for these statistics-vide G.O. d/ 7. 12. 87, No. 1829-and quarterly returns were ordered in G.O.d/ 22. 10. 88, No. 1006.

The returns are furnished by the Board of Revenue & the Secretariat is merely a channel of communication.

It is submitted that India may be asked whether the returns are still required and, if so, whether they may be submitted directly by the Board of Revenue.

The H.M. inquires.

- (a) What is the object of the return?
(b) Won't yearly do?

The return was ordered by the Government of India vide G.O. d/14.11. 87, No. 1518. The object of it is to place Government in possession of authentic information regarding the establishment of new periodicals and news-papers so as to enable it to arrange to procure copies if considered necessary. It is submitted that a yearly return would not be sufficient.

11. Accounts of the Natal Emigration Agency.

The H.M. inquires whether a yearly statement will not be sufficient.

The audit of Emigration accounts was ordered in G.O.d/ 28. 1. 74 No. 90, and a monthly audit was directed in G.O. d/ 8. 3. 74, No. 248.

The authority for the half year accounts cannot be traced.

It is submitted that the Protector of Emigrants & the Accountant General may be asked whether a yearly return will be sufficient.

Perhaps it is sufficient to continue quarterly returns

- I. Statement of inmates in the Government Work House during the previous quarter.

The H.M. inquires.

(a) What is the object of the statement?

(b) Won't yearly do?

For the origin of the list please see G.O.d/ 25. 9. 79, No. 1436. It is intended as a check against men being detained an unduly long time in the Work-house.

The submission of a monthly statement was ordered in G.O.d/ 14.10.79 No.1514 ; but it was altered to quarterly by G.O. d/ 10. 10. 90, No.678.

The Commissioner of Police is now in charge of the Workhouse and there is not the same chance of the rules being overlooked as when the Institution was worked by a Committee.

For the last annual report, please see G.O.d/ 4.4.94, No.223.

It is submitted that the quarterly reports may now be discontinued. Such a case as that dealt with in G.O.d/ 25.9.79, No.1436, is not likely to occur again.

*I should say annual
return would do - any way
better*
