RESOLUTION.

IN connection with the question of improving the position and prospects of Hospital Assistants in civil employ, the Government of India enquired of Local Governments and Administrations whether a general rule should not be laid down to the effect that all Hospital Assistants who are employed in sanctioned appointments, as opposed to those doing general duty, should be allowed free quarters or house-rent in lieu. It was added that the practice of allowing free quarters or house-rent to Hospital Assistants when employed in sanctioned posts was believed to have been generally adopted in all Provinces, on the ground that they are required to reside close to the scene of their work, and Local Governments and Administrations were asked whether they had any objection to a rule such as that proposed being made absolute.

2. The replies received show that Local Governments and Administrations agree generally in recommending that Hospital Assistants should be allowed free quarters or house-rent. The Governor General in Council is accordingly pleased to decide that all Hospital Assistants employed in sanctioned appointments, whether under Government or Local Boards or Municipalities, should be granted by the authorities paying their salaries free quarters or house-rent in lieu. It is to be distinctly understood, however, that the grant of house-rent is conditional on the Hospital Assistant concerned providing himself with quarters within a convenient distance of his duties or of the Hospital or Dispensary in which he may be employed. The quarters thus rented should be approved by the authority under whom the Hospital Assistant is serving. In places where free

quarters are not provided, and where suitable quarters within a convenient distance are not obtainable, it will be the duty of the Government or the local body concerned, as the case may be, to build free quarters.

3. This Resolution only applies to those Hospital Assistants who are Government servants.

ORDER.—Ordered, that a copy of this Resolution be forwarded to Local Governments and Administrations for information and guidance, and that a copy be forwarded to the Foreign Department for information.
