OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

No. *Four*Encl. *187*

From

SURGEON MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.J.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras

To

The Honble the Chief Secretary to Government.
Public Department.

SIR,

I have the honor to inform you that there is a Civil Hospital in Secunderabad, Deccan, supported by Local Funds and subscriptions, it is under the charge of the Staff Surgeon and all orders regarding it are issued by the Resident at Hyderabad and its accounts are audited by the Local Controller.

2. It appears to be the custom for the Staff Surgeon to make reports to this office but no returns are received from him. At least one of my predecessors inspected the hospital.

3. The only order bearing on this subject I can find in my office is G.O. N° 880 Dated 19th Sep: 1857 which simply records the gratification of Government on being informed of the establishment of this hospital and sanctioning its establishment at Secunderabad on the principle of the rules dated 20th February 1840.

4. The duties of the Staff Surgeon Secunderabad

and down in A.R.I. Vol: II, Medical, para 179^(a)
added by India Army Circular 47 of 1889 but
this particular duty is not mentioned in it.

5. As this hospital is an important one and the duties
of the Staff Surgeon are performed under the superin-
tendence of the District Principal Medical Officer
vide A.R.I. Vol: II, Medical, paragraph 174 as re-
constructed by India Army Circular 89 of 1893 and
as I, as Surgeon-General with the Government
of Madras, have nothing whatever to do with
the control of ~~any~~ hospitals under the Resident
of Hyderabad, I should suggest that Government
should ask the Resident to take steps to do
away with my uncertain position as regards
this hospital.

I have the honor to be

Sir,

Your Most Obedt. Servant.
