Please see the accom-
panying slip and say
whether there are any orders
requiring the Chemical
Examiner to address his
Comm. & Co. out through the
Surgeon General

E.

30/7/94

For 1880

No order can be traced since 1880.
Please see if there is any order.
There must be something as I find
that C. E.'s annual reports are always
forwarded thro' the Sg.
Anything in 1883 to 1890

Note for current office.

Only 1/2

Please see the G.O.'s first up.

2. On inquiry, I am fixed to understand that scarcely any paper from the C.E. is sent to the Govt. (excepting annual reports) comes through the Surgeon General.

2. I presume from the C.E.'s H.Q.'s office?

S.G.'s office.

Subd to C.A. The Madras office too has not been able to get hold of any G.O. directing that C.E. should address his communications to Govt. through S.G. In the order on the adm report in 1867 the Govt. said that the report should have been sent thro' S.G. On the other hand in 1862 the Govt. directed

the discontinuance of the practice of S.G. counter-signing the contingent bills of the C.E. As stated in my previous note it would that the C.E. always address Govt direct as regards his office matters such as establishment &c, but submit his annual reports through the S.G.

Madras, 9th Aug^t 1894.

Dear Mr. Bird,

I am sorry I cannot
have any G.O. on the subject of
the C.E. communicating direct
with Govt. - If there is any
G.O. on the point it must be
a very very old one for the
practice is of ancient date.
In 1851 Chint Secy. communicated
direct with this office &
C.E. direct with him, &
[I find that in 1848 the Church
Exr. to Bangalore Govt. with direct
to ~~Chint~~ Secy. to Govt. of India
Home Dept.] direct to Govt.
In 1857 Church Exr. forwarded an
(vide G.O. Pub. Dep. No. 940 of 14/7/57) in
consequence of this office
having been dissociated

(as far as control went)
from the Professorship of Chemistry
in the Medical College? Further
in consequence of this new
arrangement the Chem. Exr.
applies to Chief Secy. for
extra assistants in the Laboratory
(vide G.O., 27/7/57, Pub. Dept.
No. 1017).

This is about the time afterwards
when the Chem. Exr. was
constituted a separate Department
& I find subsequently to
this ~~the~~ G.O.s have been
communicated to the Chem.
Exr. as the Head of the
Dept. under the Chief Secy.
in the Public Dept.

Again, in G.O. Pub. Dept.
No. 1589 of 11/4/57, Govt.
state that the Chem. Exr.
"is not subject to the Medical
Board" - this Medical
Board I suppose in those
days was the ruling
authority in the Medical
Service, there being no
Surgeon General then.

G.O. No. 6. Pub. Dept. 5/1/58
disburs 2 ann applications
from Chem. Exr. to Chief
Secy. for a table for the
Laboratory.

On 4/12/62 Chem. Exr. formerly
direct his budget

Estimate for 1863/4

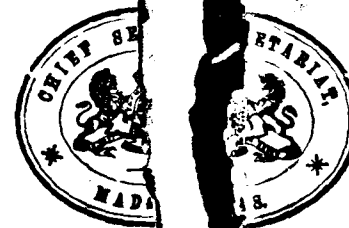

for 1868. Church & Rev. Charles
direct for privilege please.
