SIR,

With reference to G.O. Public No 390 dated
4th June 1894 and G.O. No 1578 W. dated 20th June
1894. I wrote to the Consulting Architect
to Government asking him when he would
be able to have the necessary alterations
made in the hospital buildings for the
accommodation of the Women and Children.
In reply he sent me a copy of a letter dated
the 2nd August 1894 No 1448 M. W. from the
officiating Quartermaster General
to him which is as follows. "In reply
to your letter No 990 of the 14th ultimo I am
desirous to inform you that the Commander-
in-Chief does not consider that the work
referred to should be proceeded with so
long as the Station Hospital Madras is
being used, as at present, for the soldiers
of the Garrison."

2. Until these proposed alterations

re carried out the Women & Children
cannot be transferred

3. With reference to paragraph 2 of ^{my memorandum letter of} ~~the~~ S. G.'s own letter
No 372 dated 24th May 1894 I consider it would in $\$ 0 \frac{390}{4-6-94}$
be well to ask the Military Department
on what date the West wing of the Station
Hospital can be handed over in order
that the alterations may be proceeded with.

I have the honor to be
Sir,

Yours Most Obedt. Servant.
