No. 507.

Bangalore,  
19<sup>th</sup> December 1893.

From

Mr E. Sultzer

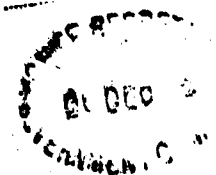

Government Epigraphist,

To

The Chief Secretary to Government.

Sir,

I have the honour to submit an application for employment in the Educational Department by my First Assistant, Mr V. Venkayya, M. A. He has been employed under me for more than six years. During this time he has fulfilled his duties in a most devoted and distinguished manner and has acquired a thorough knowledge of the method of Epigraphy. His contributions to the Christian College Magazine, especially the last in November 1893, show him to be a scholar of promise. His intellectual and moral soundness would qualify him well for the Educational Service; but I confess that I should be sorry to lose him, as doubt that I should ever find a proper substitute for him. In the interests of Epigraphy I would suggest that, instead of transferring him to the Educational Department, the Government induce him to stay on in his present capacity.

V. Venkayya, M. A.,

First Assistant to the Government Epigraphist,

To

The Chief Secretary to Government,

Madras.

~~Mr. Bliss~~ Hon. Mr. Bliss C.I.E.  
2. Hon. Mr. Grose.

Sir,

As my prospects are very limited in the Archaeological Department, I request that Government might be pleased to confer a place on me in the new Provincial Service of the Educational Department.

2. I prefer the Educational Department to any other, because there, I believe, I shall, without prejudice to my official duties, be able to spare some time to devote for epigraphical researches. In support of my application I beseech permission to add that my transfer will, without additional expense to Government, afford opportunity for one or two fresh graduates to be trained in epigraphical work.

I beg to remain, Sir,

your most obedient servant

V. Venkayya.

First Assistant to the Government Epigraphist

C. No. 1316

From the Government Epigraphist

Dated 19<sup>th</sup> December

1893

FOR ORDERS.

The applicant is the First Asst. to the Govt. Epigraphist and is a Master of Arts of the University of Madras. His pay as First Asst. to the Govt. Epigraphist is Rs 75 rising to Rs 110. He says that his prospects are limited in the Archaeological Dept and requests that he may be given a place in the new Provincial Service of the Educational Dept. Dr Hultzsch on the other hand recommends that he be retained in the Archaeological Dept and that he be given an increase of pay to induce him to stay in that Dept. This last question is one for consideration in the Public Dept.

The current has been transferred to the Public Dept. There can be no doubt that M. Venkayya's services are now very valuable and that it would be advantageous to retain him under Dr Hultzsch. It is suggested that officer may be asked to submit definite proposal for bettering his First Asst. pay & prospects.

I see no objection to this
