SIR,

In reply to Memorandum No. 1533 Public dated the 31st ultimo, I have the honor to report, that Messrs Parry and Co., Natal Emigration Agents, state that a half yearly Audit appears to them more satisfactory, than a yearly one, as the responsibility attached in having the former is less than that of the latter.

2. The Emigration Agent for the Mauritius, states that his accounts are duly audited and forwarded with vouchers monthly to Mauritius, and prefers the continuance of the present system.
3. No change seems called for.

I have the honor to be
Sir

Your most obedient Servant

*Chief Secretary to Government
Public Department*

SIR,

With reference to your official memorandum No. 1533 Public Department dated the 31st July 1894. I have the honor to state that, of the two Emigration Agencies accounts which are audited by this office, the accounts of the Natal Agency only are audited and reported on half yearly—those of the Mauritius Agency being audited and certified to every month.

2. The Mauritius Emigration Agency is in the charge of a single officer who receives a fixed monthly advance of Rs 1466-10-8 or 17600-- a year besides other advances which are made on his application under the orders of the Local Government. Advances aggregating no less than 57,000 were made for each of the last two years.

3. The Natal Emigration Agency is managed by Messrs. Parry & Co. are empowered to draw up to Rs 15,000 per month for the Natal Agency.

4. A yearly audit would I think be quite sufficient in the case of the Natal Agency. But under Government Order Public No. 46, dated 22nd April 90 the balance in the hands of the Mauritius Agent is restricted to Rs 10,000 at a time and a less frequent audit would fail to make the limit effective and to detect any other irregularities that might occur - sufficiently early to apply remedial measures.

5. The consent of the Governments concerned would I presume be necessary to any relaxation of the Audit.

I have the honour to be,

Sir,

Your most Obedt. Servt.
