Note of the C. D.

With reference to C. A's verbal instructions yesterday the following information is submitted.

I Civil Apothecaries. The proposal submitted to the Govt of India as regards this class of medical subordinates was lost sight of by the Govt of India for a considerable time and it was only in the beginning of 1890 when the Accountant Genl brought the matter to the notice of this Govt that the Supreme Govt was reminded ^{reminded} to sanction the old proposal (Vide G.O. No 141 Ind. since added 28-2-90 to the file).

II Assistant Surgeons.

A reference to the Surgeon General's letter of 11 August 1880, No O-69 in G.O. of 3-11-80, No 1645, Pub, will show that the appt of Asst Surgeons was entirely within the competence of this Government. Consequently

Public Current 2192

The Surgeon Genl recommends that Civil Apothecaries, of whom there are now 152, should be called Civil Asst Surgeons, without change of pay or status as non-gazetted officers; and that Asst. Surgeons who are acting as Assts to Dist. Medl. & Sanitary Officers shd. be called Asst Dist. Medl. & San'y Offrs.

No extra expenditure is involved but India should be referred to.

No. *Sone.*
Encl. *183*WITH THE GOVERNMENT OF MADRAS,
Madras, 31st July 1894.

From

SURGEON MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.J.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras

To

THE Honble the Chief Secretary to Government
Public Department.

SIR,

Truly
In G.O. No. 3784 dated the 20th June 1894, the Government of India have deemed it right to change the designation and status of ~~Medicines~~ to that of Military Assistant Surgeons as the former title was inappropriate and unpopular and interfered with the recruitment of the transient service from a desirable class of the Civil Community.

2. In the Madras Presidency a special class of Civil Apothecaries was established under G.O. No. 1001 of the 7th May 1878 and graded as follows according to length of service and rate of pay.

		Pay.	Allowance.	Existing number of officers
1 st Grade	2 years service	Rs 50	—	1
2 nd —	3 to 7 years	50	25	32
3 rd —	8 to 14	75	50	87
4 th —	15 to 21	100	50	32
5 th —	22 to 28	125	50	—
6 th —	29 to 35	150	50	—

Total 152

3. Under the Orders marginally noted this grade was practically done away with, and such Medical Subordinates were directed to be entertained as Assistant Surgeons. The last of the State Educated apprentices joined the service in October 1888. The rule regarding entertaining them as Assistant Surgeons has not been carried out and 9 men are now serving who were entertained as Civil Apothecaries in 1892 & 93 under G.O. N° 17 Public of 12th January 1892.

4. The existing establishment of Civil Assistant Surgeons who are all Gazetted officers has been entertained under the Orders in G.O. N° 391 dated 22nd February 1883 as Assistant District Surgeons and Sanitary Officers. They are graded and paid as follows:-

	Pay.	Allowance.
1 st Grade	100	50
2 nd " "	150	50
3 rd " "	200	50

5. The term Civil Apothecary is as inappropriate and unpopular amongst the men referred to in para 2 as it was to the Military men.

6. It appears to me most desirable that their designation should also be changed to Civil Assistant Surgeon but that they should retain their present grades and rates of pay to avoid any additional expenditure to Government or the Local bodies under which they are employed.

7. It is most desirable that they should remain as non-Gazetted officers in order that their

Vide G.O. N° 1966 F. dated 25.8.84 and para 8 of G.O. N° 1343 dated 16.9.87. G.O. 2069 dated 19.9.84

appointments, transfers, leave &c should not require the sanction of Government.

8. I consider it most desirable that the Assistant Surgeons referred to in para four of this letter who are acting as assistants to the District Medical and Sanitary Officers should in future be designated as Assistant District Medical & Sanitary Officers to show clearly the nature of their duties.

9. At present the promotion from the Apothecary class to the class of Assistant Surgeon is fixed by G.O. N° 1343 Public dated 16th September 1887 paras 4 and 6 fixing one third of the total vacancies to be departmentally selected from officers professionally qualified i.e. holding a Degree not less than the L.M.S. of the Madrid University as is required from candidates at the open competition.

10. Regarding the fifteen percent reserve of Assistant Surgeons required by G.O. N° 925 Public dated 6th July 1887, this has been kept up for the class of Assistant Surgeons alluded to in para four of this letter but as regards the proposal in para six it will be necessary to fix the number of such appointments under Government which are to be recruited for in future under rule three in G.O. N° 2069 Public dated the 19th September 1884 and then fix the reserve on the total number.

I don't see
the bearing
of this
N°

ORDER dated 4th September 1894, No. 645

The Government sees no objection to
the proposals in paras 6 and 8 of the
Surgeon General's letter. The Government
of India will be addressed.

To

DES. 11

The Surgeon General.

B.S.F.S. 11

M.S.

Letter. No. 646. *epus*

To the Secretary to the Government

of India, Home Department,

DEPARTMENTS
(Medical) B.S.F.S. 11

Sir,

In connection with the recent

change of designation of Apothecaries to
Military Assistant Surgeons, the Surgeon
General has represented that the term
'Apothecary' is as inappropriate to the
152 men of that class now serving in this
Presidency as it was to the corresponding
grade in the Military Department, and has
recommended that it should be converted
into 'Civil Assistant Surgeon' without
any alteration in the existing grades,
rates of pay, or status of the men as non-
gazetted officers.

3. Dr. Sibthorpe further considers
desirable that when the officers at
present called 'Assistant Surgeons'

who

Vide Mr. Hewett's letter

No. 58 dated 8-3-90.

Printed

- who are gazetted officers- are employed
as Assistants to District Medical and
Sanitary officers they should be
designated "Assistant District Medical
and Sanitary Officer", to show clearly
the nature of their duties.

8. I am directed, in submitting these
proposals for the approval of the
Government of India, to inform you that
in the opinion of this Government there
are good reasons for the changes
recommended.

I have &c.
