Office-note from the Examiner, Public Works Accounts, dated Madras, 19th June 1894, No. 2483 D./A.

Your office-note No. 1861 C., dated 8th May 1894.

Checked and returned with the following remarks.

2. *Columns 6 and 8.*—In many cases the figures now given differ considerably from those entered in the statement received with Consulting Architect's No. 1672, dated 29th August 1890, and No. 3886, dated 23rd March 1891. It is presumed that the present figures have been based on more correct estimates. The old figures are given in pencil for information.

3. *Item 25.*—Rs. 14,862 in column 6 represents the actual cost of improvements sanctioned in G.O., No. 1205 W., dated 30th April 1891, and other petty additions made in 1892-93. Rs. 9,004, the original cost of the building, has not been taken into account. The omission requires explanation.

4. *Items 47 to 49.*—The figures in column 6 include value of site—see statement with G.O., No. 2380 W., dated 26th August 1892. Necessary corrections have been made.

5. *Item 55.*—In G.O., No. 3038 W., dated 14th November 1890, rent of certain rooms occupied by the Eastern Extension Telegraph Company was fixed at Rs. 93-12-0. Subsequently in his letter No. 247, dated 17th April 1891, the Consulting Architect informed that the Telegraph Company took up certain new portions by giving up a part of the building originally occupied by them; and in his letter No. 609, dated 14th May 1891, he furnished a revised data for the new set of rooms giving a rent of Rs. 114 per mensem, and this rate is still being levied. Apparently no change of rooms has occurred since. Correct figures have now been entered.

6. *Column 7.*—No addition to the capital cost for establishment and tools and plant need be made in case of buildings that were in existence on 7th September 1888 [Code volume I, chapter XI, paragraph 28 I (b)]. The necessary corrections have been made.

7. *Columns 3, 18, and 19* have also been completed.

ORDER—dated 15th August 1894, No. 2027 W., Public Works.

The statement as corrected by the Examiner is approved, but in the case of item 25 the Consulting Architect will submit an explanation on the point brought to notice by the Examiner.

2. No rent will be charged for the accommodation provided for the Scottish Press, the High Court having intimated that the Press works in the building for the convenience of the High Court and does no work other than that required for the court. A similar arrangement existed in the old High Court buildings in which it is understood the Press was accommodated rent free from the year 1869.

3. Under G.O., dated 17th July 1894, No. 1785, Judicial, the Government Solicitor is entitled to free office accommodation, and Messrs. Barclay, Morgan and Orr will be charged rent only for the space occupied by them in their private capacity.
