From C. J. LYALL, Esq., C.S.I., C.I.E., Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Calcutta, 28th December 1893, No. 1930.

I am directed to acknowledge the receipt of your letter No. 937, dated the 20th November last, in which His Excellency the Governor in Council again urges the advisability of withdrawing the orders conveyed in paragraph 10 of Home Department letter No. 1646, dated the 13th October 1881, which fixed the pay of the two junior appointments in the grades of Collectors and Judges at Rs. 1,800 each. You refer to the arguments which have been brought forward in the previous correspondence on the subject and state that, in the opinion of His Excellency in Council, the abolition of the two second-grade appointments would materially conduce to more efficient administration.

2. In reply, I am to say that the arguments contained in the previous correspondence in favour of abolishing the two second-grade appointments appear to the Government of India to have been fully met by the remarks conveyed in paragraph 8 of the letter from this department, No. 1857, dated the 6th July 1888. In your letter under reply nothing new has been urged to show that an arrangement which prevails in every other province is hurtful to good administration in Madras. Officers drawing lower pay are in every province, from time to time, in charge of the heaviest districts. In these circumstances I am to express the regret of the Governor-General in Council that he is unable to reconsider the existing orders on the subject.

ORDER—No. 64, Public, dated 24th January 1894.

NOTES CONNECTED WITH G.O., No. 64, PUBLIC, DATED
24TH JANUARY 1894.

[SUBJECT.—*Abolition of the two second-grade Collector-Judge appointments in the Madras Civil Service.*]

From the Government of India, Home Department, dated 28th December 1893, No. 1930, Public.

For the Chief Secretary—

The Government of India will not see that, except for these two appointments, the Indian Civil Service in this Presidency is not graded—and that what applies to regularly graded services cannot without great inconvenience be brought into force in this Presidency. The difficulties connected with the working of these two second-grade appointments will be seen from the notes in G.Os., No. 537, dated 4th August 1892, No. 704, dated 10th October 1892, No. 226, dated 17th March 1893, and No. 936, dated 20th November 1893.
