For Order

Mr. Rajagopalachari's request is really that his position for purposes of promotion may be regulated by his the date of his first appointment and not by that of his confirmation.

As this point has recently been raised the Govt. of India has recently raised this point as regards all Statute Civilians (vide papers in L. 14. Sept 1893, No 762/3) and as orders may be expected at a very distant date, the G. of I. has treated the matter as urgent and proposed to let this petition till the G. of I. returns

Your Most obedient Servant:

Benjalopal. Jeei
Ag Head Assistant Collector of
Malabar,

Submitted for the orders of Government.
Mr Rajagopala Chari's work since
I have been in the District has been
satisfactory

Herbert R. Bradley
A collector

Civil Service. I had been a Deputy Collector for nearly two years, and as such had done what I believe to be good work ~~and~~. At any rate, it was work which Government had thought fit to approve, throughout my probationary period as an Assistant Collector. I was a 1st class Magistrate and mostly a Divisional Officer, and I beg that I may not be deprived at one stroke, of the benefit of nearly 4 years actual Service when my Claims for promotion are Considered.

7. Should Government feel that I have established a prima facie case for Consideration, I request that ^{the} Government of India may be moved to allow the Local Government to give me promotion after the Claims of the men from England up to Mr. A. F. Forbes are Satisfied. If however it is Considered inexpedient to address the Government of India on this Subject, I have of Course nothing to say in regard to permanent promotion, for which, alone, I believe, that the Sanction of that Government is necessary. I respectfully to Submit the same to you as Acting Sub Collector. I am, Sir, very respectfully,
Yours truly,
[Signature]

before the new rules of the Government of India came into force.

5 I also beg leave to state in this Connection, that pecuniarily I have been a sufferer for more than two years by joining the Civil Service. When I was a Deputy Collector in the last grade on Rs 250/-, I was appointed an Assistant Collector, and in the latter Capacity I began drawing Rs 200/- a month, and continued so for about six months and after that, I drew Rs 250/-. Even when I qualified according to the Higher Standard, I could draw only Rs 358. Many of my juniors in the Deputy Collectors grade were drawing Rs 400/- during the time that I was drawing Rs 200, 250, & 358. I do not in any way Complain of the reduction in the pay. I took it with my eyes open. But I submit that it is hard that I should in addition to all be now deprived of the benefit of two more years Service for purposes of promotion.

6. I believe, that the object of the Government of India in ordering that Statutory Civilians should not avail of the benefit of the ~~reduction~~ ^{reduction} in the pay, but ~~that~~ ^{that} ~~it is~~ both because of the results of the Examination
of 1884, as also because I had since that
Examination proved my fitness by actual
work as a Deputy Collector.

on probation, but I submit that during
my probationary period, I had to do
quite as much work as I should have
done as a Deputy Collector in Charge of
a Division. I qualified according to the
Lower Standard at the very first Examination
held for the purpose, at which I could appear,
and again according to the Higher Standard
at the very next Examination. In 1888, after
about two months stay in Madras, as an
assistant, I was transferred to Tinnevely for
Charge of the Head Assistant Collector's
Division, and I was afterwards declared to
have acted as a Head assistant Collector (with
the sanction of the Government of India having
been specially applied for and obtained for
the purpose). When I was relieved of the
Head assistant Charge in Tinnevely, I took
Charge of the Head Quarter Division, and
