Assistant 3^d class, a compounder and
additional female Ward attendants
on Rs. 6 each (not Rs. 9 and 8 as recommend-
ed by the Superintendent) necessary
and trust that Government will be
pleased to sanction the same.

4. I have disallowed the increase
proposed by the Superintendent to
the pay of the present so called nurses
and the Dhobie and am of opinion that
provision for a permanent Dhobie
should be struck out and the washing
done by contract, as will prove more
economical.

5. The proposition statements re-
vised according to the above pro-
posals is herewith submitted, from
which it will be seen that the
additional establishment sought
for only costs Rs. 4 by permanent extra
Dhobie. Consider the term nurse
for these female attendants is
wrong and misleading as they
are not trained nurses and
would propose to call such
female attendants as are
not trained, which should
be designated —

female ward attendants.

SIR,

I have the honor to submit
for the favorable consideration of
Government the enclosed letter with
its annexures from the Superintendent,
Voluntary General Hospital Madras
bringing to notice the absolute necessity
for increasing the establishment of the
Hospital.

I inspected the Hospital in
May last and consider that an addi-
tion to the establishment is very
necessary for the efficient work-
ing of the Institution. Especially
as the statistics during the last
three years disclose a steady in-
crease in the number of patients
treated.
