It is requested that the above heading, with number and date of this communication, may be quoted in any subsequent correspondence on this subject.

To

THE CHIEF COMMISSIONER OF BURMA.

SIR,

I AM directed to acknowledge the receipt of your letter No. 791-IV-10, dated the 30th July 894, enquiring in what Presidency the volunteer forces in Burma will be included on the abolition of the Presidential Army system, and suggesting that the words "in the Province of Burma" may be substituted for the words "in the Presidency of—" in each of the forms* of volunteer officers' commissions forwarded with Military Department letter No. 1868-B, dated the 6th July 1894.

- *1. Form of commission for substantive commissioned officers of Volunteer Corps.
- 2. Form of commission for honorary commissioned officers.
- 3. Form of commission for medical officers of Volunteer Corps.

2. In reply I am directed to state that as, after the abolition of the Presidential Army system, His Excellency the Viceroy will sign all the above mentioned commissions, irrespective of the particular part of India in which the volunteer officer may be serving, these commissions will be in the *volunteer forces in India*, and the words "in the Presidency of—" after the words "volunteer forces of India" now on those commissions will be no longer necessary. I am therefore to request that the words "in the Presidency of—" may be eliminated from the forms of commissions referred to, with effect from the date on which the Presidential Army system is abolished.

I am, &c.,

(Sd.) E. H. H. COLLEN,

Secretary to the Government of India.
