READ the following paper :—

[The page contains dense handwritten text in Telugu script, which is mostly illegible due to extreme fading and bleed-through from the reverse side.]

Handwritten text in a South Indian script, likely Grantha or Tamil, covering approximately 25 lines. The script is dense and cursive, with some characters appearing to be in a different script or dialect. The text is written on a light-colored background, possibly a palm leaf or a piece of paper. The first line begins with a small symbol that looks like a stylized '3' or a similar character. The text continues down the page, with some lines being more prominent than others. The overall appearance is that of an ancient manuscript or a historical document.
