This is most distracting and my attention is being continually drawn away from my work.

3. There is a room next to my office in which is now occupied by the manager of the Pension Department (Revenue Secretariat). I beg to suggest that he may be moved to some portion of the building to be vacated by the Military Secretary's office, and I may be given that room. I make this suggestion as it is desirable that I should not be very far from my draftsmen.

4. The want of proper accommodation in this office was brought to the notice of Government so long ago as 11th June 1891 in Sanitary Engineer's letter no 597. The office has since grown much, and the want of accommodation is now felt more severely.

GOVERNMENT OF MADRAS.

OFFICE OF SANITARY ENGINEER,

Fort St. George, 16th January 1894.

From

HORMUSJI NOWROJI, Esq., B.C.E., A.M.I.C.E.,

ASSISTANT SANITARY ENGINEER TO GOVERNMENT,

In charge of office of Sanitary Engineer to Govt.

To

The Chief Secretary to Government

Local and Municipal Department.

SIR,

I have the honor to request, that I may be provided with better office accommodation than I have at present, as I understand much space will be available in this building by the impending abolition of the Military Secretary's office.

2. At present I have no office room that I can call my own. I am sitting with my clerks with only a movable screen between. The space in this room is so limited, and the disposition of the doors is such, that it is impossible to screen off entirely any portion of it. The drawing office is so situated, that people continually pass and repass the whole day within an arms length of my chair.
