For Orders 24/9/94

Mr. McPherson prays for full salary during the period of his suspension as from 5th May 93 to 18th July 94 on which date he was invalided. This would be admissible under Art. 215 (b. i) if Govt. considers that the petitioner is honorably acquitted; if otherwise he can be granted such portion of his salary as Govt. may deem expedient.

Mr. McPherson was not allowed to resume his appt. - the term "honorably acquitted" does not quite fit the result of his case. It is submitted that he may be treated as if on furl. ~~for the 14 months~~ ^{his} during the period of suspension and granted half pay.

Arrangements have been made during Mr. McPherson's suspension. The allowances drawn by the individuals who ^{are} acting will apparently be affected by the petitioner being awarded full or a portion of his salary or ~~by~~ being granted furl. The amount of these allowances will either have to be recovered or written off ~~from the C.O. & 15.1~~

Current
being included. Under this mode of calculation
his average emoluments amount to Rs 243-1-
rendering him eligible for a pension of Rs 121-8-6
a month. If he be allowed the full pay of his
appointment as prayed for in para 4 of his Petition,
he would become entitled to count for pension the
period spent under suspension, and the maximum
pension admissible would then be Rs 124-4-9 a
month. It is with Government to decide whether
Mr. M. Pherson should be granted full pay for the
period from 5th May 1893 to 18th July 1894 as
prayed for in his petition, or any portion thereof, in lieu
of the subsistence allowance of 25 percent of his pay sanctioned
to him in Government Order 364 dated 24th May 94 Public
under Article 215(a) Civil Service Regulations. I may add that
the individuals who acted in the chain of arrangements
consequent on his suspension, drew acting allowances from
May to 31st July 93 and subsistence allowances from 1st Aug 93 to 18th July 94.

CHIEF SECRETARY
14 AUG. 1894
GOVERNMENT OF MADRAS

Sir,

I beg most respectfully to
tender my humble and grateful thanks
to Government for their final order
in my case, the purport of which was
duly communicated to me by the Secretary
to the Surgeon General. I deeply
recognize the sense of justice and
mercy which characterises these orders
and the great consideration shown me
and I beg to state that I shall ever
remain grateful for the same. In
these circumstances I feel deep regret
that I have to approach Government
with another petition as regards my
allowances, but after due consideration
of the facts stated below, I earnestly
trust that my final prayer will be
generously and graciously granted.

2. In their order, dated 6th Decr
1893, N^o. 984, passed on my appeal
against

my restoration to my appointment
and to grant me half pay for the
period which intervened ^{between} my being
suspended (5th May 1893) and the order
restoring me. This order as the
Government are aware, was not car-
ried into effect, owing to a report
being received in the interval from
the Accountant General's Department
on the audit of my accounts. Subsequently
on an application submitted by me,
the Government were graciously pleased
to grant me the usual subsistence
allowance (with arrears) which
amounted to one-fourth of my pay,
viz: Rs 62.8. -

80. $\frac{364}{24-5-9}$

3. The difficulty that now pre-
sents itself is this, that in calculating
my average emoluments for the
past five years, the pension that
will be admissible under the rules
will be seriously affected by the
small allowance which I have drawn
for the past 14 months.

to me during my
absence from work, (from
1893 to the date on which I was
reinstated) in view to my pension be-
ing slightly enhanced and that the period
be allowed to count for pension.

5. They respectfully to invite ^{the} at-
tention of Government to Article 215
of the Civil Service Regulations, in
accordance with which, I understand,
it will be necessary for the Government
to pass some orders in respect to my
salary. In so doing, I earnestly trust
the Government will be pleased to
consider the circumstances of my
premature retirement from the service,
the great mental anxiety and worry
that I have suffered during the past
14 months - and the expense I have
been put to in more ways than one
and having regard to the opinion
kindly expressed by Government in
their final orders that they are not
satisfied that I have been guilty of
misappropriating public funds, I

to (1) of the above article.

6. Finally, I beg to state that I have ventured to submit this petition direct, as it refers to a matter exclusively within the discretion of Government, and as my pension papers are, I understand, already under preparation, it is necessary that early orders should be passed in view to the Pension Department admitting me to the maximum pension permissible under the rules.

Awaiting early orders, I beg to remain, with due submission and respect,

Honorable Sir,

Your Most Obedient & Humble Servant

Wm. M. Pherson
