OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 1<sup>st</sup> September 1894

No 470  
Encl.

From

SURGEON MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.S.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to G.O. No. 880 Public dated the 17<sup>th</sup> December 1892 approving the skeleton form of the Annual Administration Reports to be submitted by District Medical and Sanitary Officers, I have the honor to state that after a thorough enquiry into the question I find that these reports while they entail considerable extra labour on the already overworked District Medical Officers, are practically of little use in this office and seldom utilized for the purposes of the Annual Report on Civil Hospitals and Dispensaries.

2. Under these circumstances I am of opinion that the submission of such reports may be safely discontinued and hope that Government will approve of the same. Any special features of the District Medical Administration may, I think with advantage be

incorporated

Incorporated in the Annual Reports regarding  
Budgets &c. submitted by District Medical Officers  
to Local Authorities and which are printed  
from time to time in Government Reviews.

All that will be necessary in future  
will be for Medical Officers submitting the  
Annual Returns required by G. O. No. 1076  
dated 14<sup>th</sup> August 1877 to attach a manuscript  
reviewing the figures in the different statements.

I have the honor to be,

Sir,

Your most obedient servant

C. S. S. S. S.

Surgeon Major-General

Government of Madras.

For order G.B.

25/9

What I wrote in 1892 was on the  
supposition that these reports were  
necessary. My object was to render  
them uniform which they then  
were not. The S.G. now says that  
they are of little if any value  
and may be discontinued - He  
must be presumed to know  
what is wanted and what not.  
Orders are withheld
