5TH OCTOBER 1894, No. 744, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers :—

G.O., dated 26th July 1894, No. 4633, Military.

G.O., dated 2nd October 1894, No. 6103, Military.

Read—the following paper :—

From P. J. MAITLAND, Esq., Deputy Secretary to the Government of India, Military Department, to the Surgeon-General with the Government of India, dated Simla, the 11th July 1894, No. 1924-A.

I am desired to acknowledge the receipt of your communications marginally noted, forwarding copies of the annual confidential reports on officers of the Indian Medical Service for the years 1891, 1892 and 1893.

No. 3513, dated 31st August 1893.
" 4129 " 16th October "
" 4231 " 24th " "
" 12 " 3rd January 1894.
" 1671-35 B, dated 10th May 1894.
" 1843-35 B " 23rd "

2. With reference thereto, I am directed to state that these reports are required for transmission to the Secretary

of State for India, but that it has been decided that their present form, in which the report on each officer is on a separate sheet, is not suitable for this purpose. It is therefore considered desirable that the reports should in future be summarised by the Principal Medical Officers of the Bengal, Punjab, Bombay and Madras Commands, the Inspectors-General of Civil Hospitals, and other Administrative Medical Officers, and submitted to the Government of India in a suitable form.

3. With this view a form (copy attached) has been prepared which it is proposed should be used for this purpose, and which should be forwarded to the administrative officers above mentioned with the necessary instructions.

4. In the case of Indian medical officers in military employ, the Principal Medical Officer of each district will, after a perusal of the reports on medical officers made by Commanding Officers of regiments on India Army Form 49 (which will be furnished to him by the General Officer Commanding the district), prepare a report on India Army Form 49-A on each of the military medical officers in his district, and forward them to the Principal Medical Officer of the Command through the General Officer Commanding.

5. On receipt of these reports, the Principal Medical Officer of the Bengal, Punjab, Bombay and Madras Commands will each prepare a summary in the annexed form and forward it, through the Lieutenant-General Commanding, to the Principal Medical Officer in India, who, after adding his remarks, will send it to the Adjutant-General in India for submission under the Commander-in-Chief's orders to the Government of India. The Government of India will then forward the reports to you for any remarks you may desire to record, and when they are returned, they will be sent to the Secretary of State for India.

6. In the case of medical officers in civil employ, Inspectors-General of Civil Hospitals and Sanitary Commissioners should prepare the summaries of confidential reports, and send them to Local Governments for transmission to your office and submission to the Government of India with your remarks.

7. As there may be cases when the reporting officers may wish to enter into more detail than there would be room for in the proposed form, instructions should be issued to them to submit a further report * on foolscap paper which can be filed in a separate book, indexed as to the names of the officers and designated "Special confidential reports." This book can be kept on record in your office, to be invariably referred to when advising the Government of India on an officer's qualifications.

8. I am to state that the above procedure will come into force when the measures necessary in consequence of the abolition of the Presidential Army system take effect, and to request that such further instructions may be issued as may be considered necessary for the due preparation and submission of these summaries.

Copy of the foregoing, with a copy of the form of summary, forwarded to the Secretary to the Government of Madras for information.

(By order.)

(Signed) P. J. MAITLAND
Depy. Secy. to the Govt. of India.

INDEX.

Rank and Name.	Period for which reported on.	Remarks.

ANNUAL Confidential Report by Administrative Medical Officers for the year — showing the qualifications, acquirements, and fitness for their respective positions of the officers of the Indian Medical Service.

Rank and Name.	Nature of appointment (period of the year spent in it should be stated).	Report on qualifications and fitness by Administrative Medical Officers, Civil or Military.	If fit for appointment by selection to a higher grade (Medical Officers above rank of Surgeon-Major only).	Remarks by General Officer Commanding District in case of Medical Officers in military employ, or of Local Government in other cases.	Remarks by Principal Medical Officers of Lieutenant-Generals on Indian Medical Officers in military employ.	Remarks by Lieutenant-Generals of Commands.	Remarks by Principal Medical Officer in India.	Remarks by Surgeon-General with the Government of India.

Order—dated 2nd October 1894, No. 6103, Military.

Communicated to His Excellency the Commander-in-Chief and Departments concerned, for information and guidance, in supersession of P.G., No. 4633, dated 11th July 1894.

My dear Sir Thomas -

My dear Sir Thomas -

In your letter of 13.8.94 regarding confidential reports on medical officers in civil employ you said that L.P. of 12 May '82, no. 330 Indl. was cancelled soon after issue.

The order cancelling it cannot be traced, and your office, which was referred to, has ^{said} ~~not~~ the enclosed reply. An order of Govt. can be cancelled only by G.O.

Please look up the point and let me have definite information regarding it as soon as possible.

Yrs Sincerely

" 1843-35 B " 23rd "

2. With reference thereto, I am
directed to state that these reports are
required for transmission to the Secretary
of State for India, but that it has been decided that their present form, in which the
report on each officer is on a separate sheet, is not suitable for this purpose. It is
therefore considered desirable that the reports should in future be summarised by
the Principal Medical Officers of the Bengal, Punjab, Bombay and Madras Commands,
the Inspectors-General of Civil Hospitals, and other Administrative Medical Officers,
and submitted to the Government of India in a suitable form.

3. With this view a form (copy attached) has been prepared which it is pro-
posed should be used for this purpose, and which should be forwarded to the adminis-
trative officers above mentioned with the necessary instructions.

4. In the case of Indian medical officers in military employ, the Principal
Medical Officer of each district will, after a perusal of the reports on medical officers
made by Commanding Officers of regiments on India Army Form 49 (which will be
furnished to him by the General Officer Commanding the district), prepare a report
on India Army Form 49-A on each of the military medical officers in his district, and
forward them to the Principal Medical Officer of the Command.

5. On receipt of these reports, the Principal Medical Officer of the Bengal,
Punjab, Bombay and Madras Commands will each prepare a summary in the annexed
form and forward it to the Principal Medical Officer in India, who, after adding his
remarks, will send it to the Adjutant-General in India for submission under the
Commander-in-Chief's orders to the Government of India. The Government of India
will then forward the reports to you for any remarks you may desire to record, and
when they are returned, they will be sent to the Secretary of State for India.

6. In the case of medical officers in civil employ, Inspectors-General of Civil
Hospitals and Sanitary Commissioners should prepare the summaries of confidential
reports, and send them to Local Governments for transmission to your office and
submission to the Government of India with your remarks.

through the Lieutenant-General Commanding.

Through the Local Officer

7. As there may be cases when the reporting officers may wish to enter into more detail than there would be room for in the proposed form, instructions should be issued to them to submit a further report on foolscap paper which can be filed in a separate book, indexed as to the names of the officers and designated "Special confidential reports." This book can be kept on record in your office, to be invariably referred to when advising the Government of India on an officer's qualifications.

8. I am to state that the above procedure will come into force when the measures necessary in consequence of the abolition of the Presidential Army system take effect, and to request that such further instructions may be issued as may be considered necessary for the due preparation and submission of these summaries.

Copy of the foregoing, with a copy of the form of summary, forwarded to the Secretary to the Government of Madras for information.

2. With reference thereto, I am directed to state that these reports are required for transmission to the Secretary of State for India, but that it has been decided that their present form, in which the report on each officer is on a separate sheet, is not suitable for this purpose. It is therefore considered desirable that the reports should in future be summarised by the Principal Medical Officers of the Bengal, Punjab, Bombay and Madras Commands, the Inspectors-General of Civil Hospitals, and other Administrative Medical Officers, and submitted to the Government of India in a suitable form.

3. With this view a form* has been prepared which it is proposed should be used for this purpose, and which should be forwarded to the administrative officers

*(Copy attached).

above mentioned with the necessary instructions.

4. In the case of Indian medical officers in military employ, the Principal Medical Officer of each district will, after a perusal of the reports on medical officers made by Commanding Officers of regiments on India Army Form 49 (which will be furnished to him by the General Officer Commanding the district), prepare a report on India Army Form 49-A on each of the military medical officers in his district, and forward them to the Principal Medical Officer of the Command, through the General Officer Commanding. *addition*

5. On receipt of these reports, the Principal Medical Officer of the Bengal, Punjab, Bombay and Madras Commands will each prepare a summary in the annexed form and forward it, through the Lieutenant-General Commanding, to the Principal Medical Officer in India, who, after adding his remarks, will send

Issue:

Public DEPARTMENT.

C. No. 2145 &
D.O. 544

FOR ORDERS.

India's letter has not been
sent to us for info & guidance,
but for info only - I take it :-
that for the present we shall
not forward to anyone the reports
we receive - When the time for
forwarding comes, we shall have
to consider whether we should for-
ward to the head of a dept. I do
doubt.

The G.O. of 1882 never having
been cancelled should be con-
sidered in force & should be
acted on - The reports had better
be for the Calendar year & should
reach the S.G. by the end of January
& should reach us from the
S.G. by the end of February in
each year. No dates seem
to have been laid down by
India but the above appear
suitable

RS

20/9/94

These papers have been kept back in
view of my obtaining the information indicated
in my pencil note (i.e. better pencil) in
the margin of para 5 of India's letter.
This has led to the discovery that through
G.O. in G.O. No. 330 dated 12th May 1882
passed orders that Col's were to send in
Conf't reports on Comm'd. Medical Officers
in Civil Employ the submission of these
was discontinued without the sanction
of G.O. in a memorandum from the
Asst. Secy. to the Secy. Genl. stating
that the C in C had not required
such reports as regard Med. Officers in
Civil Employ. This was in 1884. All
that seems to have been done since then
was that each S.G. recorded in a
book the Conf't. Service of each
Med. Officer and then he passed on
to his successor. It is quite likely that
this book record even has not been
carefully & regularly kept up.

I presume that the G.O. of 1882 must
now be declared to be in force and
Collection will attention called to it.

It seems necessary that the reports should
be through G.O. in order that it may
be what is said of the Medical Officers
in Civil Employ.

ENCLOSURES. 2

P.G., No. , dated

Bomg: letter from the Govt. of India
stating that Confidential reports
on officers of ^{the} Indian Medical
Service be submitted every year
in a prescribed form.

Printed & attached
Former papers.
Order of 5 Oct 1894
Recorded with the
remark that the G.O.
containing copy of its letter for
information only. The
question of the transmis-
sion of the Confidential
reports will be taken into
consideration later on.

2. G.O. of 12 May '82, No.
330 Judicial does not
appear to have been
acted up ^{on for some considerable time} although it
has not been cancelled
or modified. Collectors
will be directed to com-
ply with its provisions
in future. The reports, wh.
for the ^{extended} year, ~~reports~~ should
reach the Surgeon Genl
not later than the end of
January ~~and~~ and be sub-
mitted to Govt by the end of Febry.
in each year.
