READ—the following paper :—

From J. STURROCK, Esq., President, Board of Examiners, to the Chief Secretary to Government, dated Madras, 23rd January 1894, No. 944.

In accordance with paragraph 1 of G.O., dated 11th March 1891, No. 196, Public, I have the honour to submit for the information of Government a table of marks connected with the examination of the newly-arrived Junior Civilians, held on the 17th instant, according to the Public Service Qualification test in Tamil.

2. There was no examination in Telugu by the above test. Mr. Marjoribanks, the only gentleman who had studied the language in England, declined to undergo an examination.

3. The comparatively small number of marks obtained by candidates 5 to 9 is due to the fact that they entered the service under the new rules which provide for only one year's study after passing the open competition examination.
