PRESIDENCY PORT OFFICE,

Madras, 27th September 1894.

From

Commander W. J. Powell, R. S. M.,
THE PRESIDENCY PORT OFFICER,

MADRAS,

To

THE CHIEF SECRETARY TO GOVERNMENT,

MARINE DEPARTMENT,

FORT ST. GEORGE.

SIR, With reference to G.O. Public Department,
No. 688, dated 19th September 1894, I have the
honour to report that there has been no
pilgrim traffic direct to the Red Sea
from ports in the Madras Presidency.
Should there be any, the provisions of the
Native Passenger Ships Act and the
additional protective measures
prescribed by the Government of India
in the case of vessels proceeding to ^{the} Red
Sea Ports (G.O. No. 1383 Marine, dated 13 November
1890) would be enforced. I do not anti-
cipate there would be any difficulty
in finding a female doctor to examine
female pilgrims before the departure
of a vessel from the port of Madras.
This perhaps would not be an easy
matter at other ports in the Presidency.

I have the honour to be,

Sir,
Your most obedient servant,
Walter Powell,
Commander, R. S. M.,
Presidency Port Officer

Public
~~Marine~~ (1894) DEPARTMENT.

From

THE PRESIDENCY PORT OFFICER,
Madras,

To

THE CHIEF SECY. TO GOVERNMENT,

No. 1186

OFFICE OF THE PROTECTOR OF EMIGRANTS,
Madras, 27 September 1894

From

E. Turner Esq.

As PROTECTOR OF EMIGRANTS,
Madras,

To

The Hon.ble Mr. J. F. Price

CHIEF SECRETARY TO GOVERNMENT,
PUBLIC DEPARTMENT,
~~Fort St. George.~~
Cotacamund.

SIR,

In reply to G. O. No. 688 Public dated the 19th instant, I have the honour, to report that there has been but one instance of pilgrimage to the Hedjaz, from Madras, in which the pilgrims, two in number, obtained tickets from this Office, and went to Bombay by rail, taking the steamer thence to the Hedjaz. No measures are therefore necessary here, for their protection before departure, as they do not sail from here. As regards the complaint about the insufficiency of fresh water supply, and the overcrowding of vessels with pilgrims, I beg to suggest, that for each adult pilgrim a minimum

of

one gallon of water per day and 12 ^x superficial feet and 72 ^x cubic feet of space, may be prescribed during the voyage.

* Vide Section 58
of Act XXI of 1883.

2. This is the allotment made, for each Emigrant, and is I consider quite necessary in the case of pilgrims as well.

I have the honour to be
Sir

Your obedient servant.

ag. Protector of Emigrants

Public (1894) Department.
(EMIGRATION.)

Sir,

In reply to your No. 1186
of the 5th Sep: I am directed
to inform you that hitherto
there has been no
pilgrim traffic direct
from the ports of this
Presidency. Should there
be any hereafter the
provisions of the Native
Passenger Ship's Act and
the additional precaution
any measures prescribed
in the case of vessels
proceeding to Red Sea
ports wd. be enforced. It
is not anticipated that
any difficulty would be
experienced in finding
a female doctor to
examine female pilgrims
before departure from the
port of Madras.

2. The Protector of
Emigrants, Madras,
suggests that for each
adult pilgrim a minimum
one gallon of water per

one and 12 superficial
feet and 72 cubic feet
space should be pre-
scribed ⁱⁿ the same ^{way} as
immigrants - vide § 58
Act Act of 1883.
