To

THE Hon'ble the Chief Secy to Government

Public Department,

SIR,

With reference to Public Department memorandum no. 1911 dated the 20th September 1894, I have the honor to state that Surgeon Captain F. J. Crawford M.D. who is revising the Medical Code under the orders of this Office hopes to be able to submit the final draft to me at the end of the current year when it will be duly gone over by me and submitted for the approval of Government.

2. After Surgeon Captain Crawford had left this Office last year he was relieved by my predecessor of the special duty of revising the Code as he contemplated other arrangements.

its revision, but as no action
as taken by him in this direction
considered it desirable on taking
over charge to adapt immediate
steps in the matter and Surgeon Captain
Brawford having expressed his
willingness to complete the Code
he was requested to resume the
work.

I have the honor to be,
Sir,
your most Obedt. Servant.
