[Despatch Abstract.]

Permitting the insertion in
the Fort St George Gazette
on payment of notices by
the East India Co. & provided

the prior approval of
the D.P. I

of the assoc.

I think all notices approved
by the JRS and be published
in the Gazette.

Please see G.O. d/6.5.78,
No. 763 Pub. & particularly
para 1 of Indias Resoln
in it.

Private advertise-
ments certainly are
at times inserted in the
Gazette. Notice that
partnerships are usually
so notified - vide case
marked in file put up.

Precedents allowing
the School of Music, the
Technical Institute
and the Sufferin Fund
to insert notices free
of cost are already in
the file. But their objects
seem quite different
to that of the E. & A. I.
Assocn, which the
President has declared
to be "political".

* But whatever the President may say, it
is his duty to see that the
fund is not used for the purpose of the
Assocn. In the case of the
Assocn, the President has declared it to be
political. It is submitted to the Hon. Mr. Goss
with reference to his queries on
C. No. 92. Please see para 2 of
d/27/2/79.

From

F. Rowlandson Esq
President

To

The Chief Secretary
to Government
With the Governor
Stonehouse Hill

Sir

On the 3rd July last the General Secretary of this Association was instructed to forward to the Superintendent Government Press, Madras a Notification (copy enclosed) for publication in the Fort St George Gazette, if necessary on payment. The Superintendent of the Government Press in his Memo to the General Secretary No 1429 of 12th July 1894 intimated that such Notification (which was returned) could not be inserted in the Fort St George Gazette. The Notification in question as will be seen merely calls attention to certain other notifications appearing in the Eastern Guardian (the Journal of the Association of Examinations etc, which the Association - the its Special Education Fund and other persons interested in the Eurasian and Anglo-Indian Community - threw open to the school-going members of the Community. A copy of the Eastern Guardian in which these several notifications appear is herewith forwarded, from which it will be apparent Government, that the Association is trying to do the

best it can under the circumstances with the limited means at its disposal. In encouraging the different departments of learning, the Association is endeavouring to raise the younger members of the community so as to prepare them to some extent for the competition for employment which is yearly increasing for the community.

On the 9th Instant I wrote to the Superintendent Government Press and requested that Officer to forward the papers to Government and obtain the necessary sanction. The officiating Superintendent in returning the papers to me with his letter N^o 1794 of 10th Instant requests that I should address Government direct on the subject and obtain the necessary sanction.

As the Association tries to do the best it can with the means at its disposal, I have the honor to request that Government will be pleased to sanction

1. The notice under reference being published in the Fort St. George Gazette free of charge and
2. Such other notices, having reference to Education and for the general good of the community may first be approved of by the Director of Public Instruction

I have the honor to be
Sir

Yours Most Obedient Servant

Notice

The attention of all heads of Schools, parents, guardians and pupils is invited to the different notifications of prizes offered, Examinations to be held in Vernaculars etc etc, as published weekly in the columns of the Eastern Guardian

to the insertion
of payments of
Notice by the S.P.I. & Assoc. (S.P.I.)

For orders in U.S. this has perhaps
been in 1/2 of the
this application should be
subm. he rejected. The S.P.I.
D.I. Assoc. has its own
organ (the Eastern Guardian)
& notices in that paper are
much more likely to reach the
persons they are intended for
than notices in the Gazette.
Besides, publication in the
Gazette will give a sort of
official cachet to the schemes
of the Assoc. & if the indulgence
shown to this body, it
will be difficult to resist
similar applications from
other private Associations.
