IN M.S.

Sir,

With reference to
telegram No. 3287 of the
26th ultimo from the
Secretary for Berar
I am directed to inform
you that the Surgeon
General reports that
mentioned Apothecary
Devanboo, though a native
by birth, passes for an
East Indian and
possesses the requisite
fact to get on ^{down with} with
Europeans. He was for
several years in medi-
cal charge of Palmanai
the Sanitarium of the
North Arcot district,
where he had occasion
to deal with many
Europeans & was well
thought of.

2. Now a warrant
medical officer is avail-
able in this Presidency
for appointment to

790
[En]raoti neither can this Depart.
ment nor the military spare
one at present. In fact owing
to the number present for duty in
the military Department being below
the sanctioned strength it has
been suggested to entertain pensioners
temporarily - vide my letter to
Government in the military Depart.
ment no 7/32 dated the 18th June
1894.

4. If the Government of India
sanction such an appointment
steps will be taken to send a perma-
nent warrant officer as soon
as one is available which in Madras
will probably not be until 1897.

I have the honor to be,
Sir,

Your 470 of 21st. Objection
to proposed appointment
Native retired Apothecary
is that majority of patients
are of European extraction
to whom attendance of Native
Doctor is distasteful. Is there
no warrant Medical Officer
who can now be appointed
permanently to the post? Any
appointment of retired Apothecary
will be temporary only.
